Love Desire And You:

Desire/Love Lauren Gail Berlant, 2012 There is nothing more alienating than having your pleasures disputed by someone with a theory writes Lauren Berlant Yet the ways in which we live sexuality and intimacy have been profoundly shaped by theories especially psychoanalytic ones which have helped to place sexuality and desire at the center of the modern story about what a person is and how her history should be read At the same time other modes of explanation have been offered by popular and mass culture In these domains sexual desire is not deemed the core story of life it is mixed up with romance a particular version of the story of love In this small theoretical novella cum dictionary entry Lauren Berlant engages love and desire in separate entries In the first entry Desire mainly describes the feeling one person has for something else it is organized by psychoanalytic accounts of attachment and tells briefly the history of their importance in critical theory and practice The second entry on Love begins with an excursion into fantasy moving away from the parent child structure so central to psychoanalysis and looking instead at the centrality of context environment and history The entry on Love describes some workings of romance across personal life and commodity culture the place where subjects start to think about fantasy on behalf of their actual lives Whether viewed psychoanalytically institutionally or ideologically love is deemed always an outcome of fantasy Without fantasy there would be no love Desire Love takes us on a tour of all of the things that sentence might mean

The Course of Love Alain de Botton, 2016-06-14 An engrossing tale that provides plenty of food for thought People Best New Books pick this playful wise and profoundly moving second novel from the internationally bestselling author of How Proust Can Change Your Life tracks the beautifully complicated arc of a romantic partnership We all know the headiness and excitement of the early days of love But what comes after In Edinburgh a couple Rabi and Kirsten fall in love They get married they have children but no long term relationship is as simple as happily ever after The Course of Love explores what happens after the birth of love what it takes to maintain and what happens to our original ideals under the pressures of an average existence We see along with Rabi and Kirsten the first flush of infatuation the effortlessness of falling into romantic love and the course of life thereafter Interwoven with their story and its challenges is an overlay of philosophy an annotation and a guide to what we are reading As The New York Times says The Course of Love is a return to the form that made de Botton's name in the mid 1990s love is the subject best suited to his obsessive aphorizing and in this novel he again shows off his ability to pin our hopes methods and insecurities to the page This is a Romantic novel in the true sense one interested in exploring how love can survive and thrive in the long term The result is a sensory experience fictional philosophical psychological that urges us to identify deeply with these characters and to reflect on his and her own experiences in love Fresh visceral and utterly compelling The Course of Love is a provocative and life affirming novel for everyone who believes in love There's no writer alive like de Botton and his latest ambitious undertaking is as enlightening and humanizing as his previous works Chicago Tribune

It provides time proven comprehensive solutions that help couples reconnect with each other sexually and take their intimacy and passion to new previously unexplored heights. **The Voice of Christ** John Skinner, 2021-04-16 This book is based upon information that was given to me by Christ in meditation during the Lenten season of 2020. My interaction with Christ became so casual, meditation was unnecessary. He then presented my calling to write this book through the dictation of Christ, the Virgin Mary and our Almighty God. The initial purpose of this book was to evangelize with the direct words of Christ, the Virgin Mary and the Almighty God. A secular world that is divided among their Christian and worldly or pagan beliefs is starting to collapse as evil reigns within our governments. The deceit from within the Protestant churches confuses the minds of those born into them. A false truth that is the only one you know is sad. We need to rebuke the heresy of Martin Luther so we can unite Christianity once again. Without unity, our communion is not whole and the word Christian becomes too broad when it is not meant to be. The main ones who almost always refer to themselves as Christian are the nondenominational Christians, some of the biggest deceivers among us. Let go of yourselves to listen to the divine voices of our Holy Family.
