This Is Shakespeare Emma Smith,2020-03-31 An electrifying new study that investigates the challenges of the Bard s inconsistencies and flaws and focuses on revealing not resolving the ambiguities of the plays and their changing topicality A genius and prophet whose timeless works encapsulate the human condition like no other A writer who surpassed his contemporaries in vision originality and literary mastery A man who wrote like an angel putting it all so much better than anyone else Is this Shakespeare Well sort of But it doesn t tell us the whole truth So much of what we say about Shakespeare is either not true or just not relevant In *This Is Shakespeare* Emma Smith an intellectually theatrically and ethically exciting writer takes us into a world of politicking and cypocattng as we watch Shakespeare emulating the blockbusters of Christopher Marlowe and Thomas Kyd the Spielberg and Tarantino of their day flirting with and skirting around the cutthroat issues of succession politics religious upheaval and technological change Smith writes in strikingly modern ways about individual agency privacy politics celebrity and sex Instead of offering the answers the Shakespeare she reveals poses awkward questions always inviting the reader to ponder ambiguities

Taberner,2012-12-06 The planning and writing of this book has taken rather longer than I had originally intended what began as a modest literary project for two second year medical students has expanded over eight years to become a complete book The subject matter lent itself all too easily to a sensationalist approach yet on the other hand a strictly scientific approach would probably have resulted in a dull dry text of little interest to the general reader I have therefore attempted to bridge the gap and make the book intelligible and entertaining to the non specialist but at the same time ensuring that it is factually correct and adequately researched for the scientist or clinician I have always been impressed by Sir J G Frazer s introduction to his classic book *The Golden Bough* in which he apologizes for the fact that an article originally intended merely to explain the rules of succession to the priesthood of Diana at Aricia had expanded over a period of thirty years to twelve volumes The present work cannot pretend to such heady levels of academic excellence *Letters on Demonology and Witchcraft* Walter Scott,1885 **Love** Titania Hardie,2005-08 When you wish upon a star runs the first line of a popular song exactly summing up the irresistible charm of Titania Hardie s wishing spells Practically every day each of us encounters a situation that conjures up a distant memory of enchantment a shooting star a black cat crossing our path a four leafed clover a new moon Each of these special moments can be turned to magical advantage by sending off a little wish blown like a kiss into the ether which may bring us Love or Wealth Peace or Happiness Each of these delightful little books contains 31 wishing spells straight from the magical pen of Titania Hardie the world s favorite white witch Every spell is short and sweet requires a minimum of accessible ingredients and is easy to do The books are as accessible to absolute beginners as they are to readers of Titania s other magical works **Legal Tender** John Griffith Urang,2010 Through close readings of a diverse selection of films and novels from the former GDR Urang offers an eye opening account of the ideological stakes of love stories in East German culture *Why We Love* Anna Machin,2022-02-01 An Oxford evolutionary anthropologist explores the ever elusive science of love **The Miscellaneous Writings** Thomas Babington Macaulay,1860 **Dante Rossetti**
