Books in Print ,1992 **Starting Monday** Karen, 2013-10-21 Starting Monday is based on the simple premise that when our
behaviors don't align with our expressed intentions we've got a conflict going on often outside of our awareness The book
helps readers dig deeply into their psyches to figure out what mistaken beliefs and needless fears are holding them back
from achieving their health and fitness goals The polarized feelings for disregulated eaters to identify and resolve fall within
these 7 key areas 1 create lasting change 2 making conscious choices 3 feel deserving 4 how to comfort themselves 5 know
what's enough 6 manage intimacy and 7 developing a healthy identity Starting Monday first helps readers unearth their
mixed feelings in these seven areas then teaches them how to change their beliefs and behaviors to resolve them Using
humor plain talk examples from her clinical experience reflection exercises case studies and homework Koenig lets troubled
eaters know that their yo yo patterns of eating and self care are due to conflicts She shies away from easy answers and
instead provides hope and concrete actions to developing a permanent positive relationship with food American Book
Publishing Record ,1996 Story Work/Story Play Mary LaMont, 2023-05-02 A central assumption of narrative spirituality is
that the act of retelling the story of episodes of our lives can help us better see the larger Guiding Story that God dreams for
us When I can see my Guiding Story more clearly I am better able to handle crisis and transition and better able to see my
true purpose Story Work Story Play lays out a four door method of spirituality that invites participants to explore their
Guiding Story through four doors that correspond to the four parts of any story a main character a problem to solve the
power needed to solve it and the action taken by the main character The chapter for each of these four doors provides
theological psychological and scriptural foundations for the narrative method and includes up to ten to fifteen story work
story play exercises the reader can use to practice the method Each chapter also includes profile stories of real people who
have discovered layers of their own Guiding Stories The book ends each chapter with a Guided Visualization The book's final
chapter explains how members of a narrative circle can use the narrative spirituality tools of this book to discern each one's
own unique Guiding Story **Books in Print** ,1993-09 V 1 Authors A D v 2 Authors E K v 3 Authors L R v 4 S Z v 5 Titles A
