Dedicated to... W B Gooderham,2015-12-18 Books are amongst the most personal of gifts The book we choose to give a loved one is informed by our intimate knowledge of their personal histories and their tastes Often when we gift books we love to explain the meaning behind our present by writing an inscription within its pages Ordinarily we hope the gift and its message will be enjoyed placed lovingly on its new owner's bookshelf and treasured forever This is not always the case though W B Gooderham is fascinated by second hand books and curates a growing collection of those featuring intriguing inscriptions The messages he finds range from the awkward scratchings of adolescent infatuation to the resentful recriminations of a love affair gone sour and offer illuminating glimpses into their books own secret histories This beautifully presented book will feature the very best from the author's collection of dedications alongside the covers of the works in which they were found From Animal Farm to Pride and Prejudice there's something here to please every book lover's taste

The Soul and Barbed Wire Edward E. Ericson,Alexis Klimoff,2023-05-02 Authored by two eminent Aleksandr Solzhenitsyn scholars The Soul and Barbed Wire is the first and only book to offer both a detailed biography and a comprehensive appraisal of the literary achievement of the Nobel prize winning author who became one of the Soviet regime's most formidable foes The book begins with a detailed biographical survey that traces Solzhenitsyn's evolution from an ardent Communist and loyal Soviet front line officer into a devastating critic of all ideological distortions of authentic human values and a historian of the many faceted events that led to and the tragedy set loose by the Russian Revolution This biographical section goes on to portray the writer's strenuous efforts to convey this message to the West during his years of exile and to his countrymen after his return to Russia The bulk of the book however consists of sharply focused essays on a large number of Solzhenitsyn's writings Ericson and Klimoff comment on virtually all his works of fiction as well as on a generous selection of texts belonging to historical or journalistic genres Because the volume assumes no prior knowledge of its subject it will prove particularly helpful to those who are coming to Solzhenitsyn for the first time while its well nigh encyclopedic inclusiveness should appeal even to the most seasoned readers Drawing upon the best available Solzhenitsyn scholarship the authors strive to present a balanced and accurate appraisal of the remarkable life and hugely influential works that have often been misunderstood and not infrequently been misrepresented

Alan Clarke Dave Rolinson,2013-07-19 The British television director Alan Clarke is primarily associated with the visceral social realism of such works as his banned borstal play Scum and his study of football hooliganism The Firm This book uncovers the full range of

his work from the mythic fantasy of Penda's Fen to the radical short film on terrorism Elephant Dave Rolinson uses original research to examine the development of Clarke's career from the theatre and the studio system of provocative television play strands of the 1960s and 1970s to the increasingly personal work of the 1980s which established him as one of Britain's greatest directors Alan Clarke examines techniques of television direction and proposes new methodologies as it questions the critical neglect of directors in what is traditionally seen as a writer's medium It raises crucial issues in television studies including aesthetics authorship censorship the convergence of film and television drama documentary form narrative and realism **We Have Ceased to See the Purpose** Aleksandr Solzhenitsyn, 2025-04-01 This collection brings together ten of
