Love Knows No Boundaries Dennis Corrigan,2015-05-01 Who lives in the mind of Dennis Corrigan The Midnight Worm Pointing George Father Kurowski Filthy Andy a Weird Walkin Stalker Mrs Mussman A Revolting Rabbit Family From the artist Most of these drawings were created during the summer and fall of 2014 with me curled into a couch corner in a semi fetal position armed with mechanical pencils kneaded erasers and a few tech pens I was kind of burnt out on art in general but had to keep making at least something The results were a return to a kind of minimalist line drawing style with an emphasis on humor composition and lunacy I m happy to say that when viewing the drawings contained in this collection far removed from the time of their creation that I really like them And I hope that they will provide a small mother lode of laughter for a wide range of viewers **Boundaries** Henry Cloud,John Townsend,John Sims Townsend,1999-02-09 Provides

the best books I ve ever read on men s emotional health and development Mark Manson author of The Subtle Art of Not Giving a F ck and Models I have read every self help book out there but this was the first that put everything together in a way that made perfect sense to me Every page of my copy of No More Mr Nice Guy is highlighted in yellow How did you know me so well A Nice Guy according to Dr Robert Glover a pioneering expert on the Nice Guy Syndrome is a man who believes he is not okay just as he is He is convinced that he must become what he thinks others want him to be liked loved

and get his needs met He also believes that he must hide anything about himself that might trigger a negative response in others The Nice Guy Syndrome typically begins in infancy and childhood when a young boy inaccurately internalizes emotional messages about himself and the world It is fueled by toxic shame and anxiety Rapid social change in the late 20th century and early 21st century has contributed to a worldwide explosion of men struggling to find happiness love and purpose The paradigm of the Nice Guy Syndrome is driven by three faulty covert contracts Nice Guys believe If I am good then I will be liked and loved If I meet other people s needs without them having to ask then they will meet my needs without me having to ask If I do everything right then I will have a smooth problem free life The inauthentic and chameleon like approach to life causes Nice Guys to often feel frustrated confused and resentful Subsequently these men are often anything but nice Common Nice Guy patterns include giving to get difficulty setting boundaries dishonesty caretaking fixing codependency people pleasing conflict avoidance passive aggressiveness unsatisfying relationships issues with sexuality and compulsive masturbation and pornography use Since the publication of No More Mr Nice Guy in 2003 hundreds of thousands of men worldwide have learned how to release toxic shame soothe their anxiety face their fears connect with men embrace their passion and purpose and experience success in work and career These men have also learned to set boundaries handle conflict make their needs a priority develop satisfying relationships and experience great sex This process of recovery from the Nice Guy Syndrome allows men to move through Depression Social anxiety and shyness Codependency Low self esteem Loneliness and hopelessness Feelings of failure Lack of confidence and purpose Compulsive behaviors and addictions Feeling stuck in life Contrary to what the title might seem to imply No More Mr Nice Guy does not teach men how to be not nice Dr Glover shows men how to become what he calls Integrated Males Becoming integrated does not mean becoming different or better It means being able to accept all aspects of oneself An integrated male can embrace everything that makes him unique his power his assertiveness his humor his courage and his mission as well as his fears his imperfections his mistakes his rough edges and his dark side If you are ready to get what you want in love sex and life No More Mr Nice Guy will show you how
