darkest days A one of a kind book to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized medicalized or over spiritualized Kay Warren cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression anxiety or suicidal thoughts You might be crushed by shame over your mental illness only to be told by well meaning Christians to choose joy and pray more So you beg God to take away the pain but nothing eases the ache inside As darkness lingers and color drains from your world you're left wondering if God has abandoned you You just want a way out But there's hope In I Love Jesus But I Want to Die Sarah J Robinson offers a healthy practical and shame free guide for Christians struggling with mental illness With unflinching honesty Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church Pairing her own story with scriptural insights mental health research and simple practices Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better Beautifully written and full of hard won wisdom I Love Jesus But I Want to Die offers a path toward a rich hope filled life in Christ even when healing doesn't look like what you expect Where the Light Fell Philip Yancey, 2021-10-05 In this searing meditation on the bonds of family and the allure of extremist faith one of today's most celebrated Christian writers recounts his unexpected journey from a strict fundamentalist upbringing to a life of compassion and grace a revelatory memoir that invites comparison to Hillbilly Elegy Publishers Weekly starred review Searing heartrending This stunning tale reminds us that the only way to keep living is to ask God for the impossible love forgiveness and hope Kate Bowler New York Times bestselling author of Everything Happens for a Reason Raised by an impoverished widow who earned room and board as a Bible teacher in 1950s Atlanta Philip Yancey and his brother Marshall found ways to venture out beyond the confines of their eight foot wide trailer But when Yancey was in college he uncovered a shocking secret about his father's death a secret that began to illuminate the motivations that drove his mother to extreme often hostile religious convictions and a belief that her sons had been ordained for a divine cause Searching for answers Yancey dives into his family origins taking us on an evocative journey from the backwoods of the Bible Belt to the bustling streets of Philadelphia from trailer parks to church sanctuaries from family oddballs to fire and brimstone preachers and childhood awakenings through nature music and literature In time the weight of religious and family pressure sent both sons on opposite paths one toward healing from the impact of what he calls a toxic faith the other into a self destructive spiral Where the Light Fell is a gripping family narrative set against a turbulent time in post World War II America shaped by the collision of Southern fundamentalism with the mounting pressures of the civil rights movement and Sixties era forces of social change In piecing together his fragmented personal history and his search for redemption Yancey gives testament to the enduring power of our hunger for truth and the possibility of faith rooted in grace instead of fear I truly believe this is the one book I was put on earth to write says Yancey So many of the strands from my childhood racial hostility political division culture wars
