*The Measure of Life* Herbert Marder, 2018-08-06 This elegantly written and richly detailed biography tells the story of Virginia Woolf's last ten years from the creation of her great visionary novel *The Waves* to her suicide in 1941 Herbert Marder looks closely at Woolf's views on totalitarianism and her depictions of Britain under siege to create a remarkable portrait of a mature and renowned writer during a time of rising fascist violence An awareness of personal danger Marder says colored Woolf's actions and consciousness in the years leading up to World War II She practiced her art with intense dedication and was much admired for her wit and vivacity But she had previously tried to kill herself and she asserted her right to die if her manic depressive illness became intolerable *Waves and water*

haunted her imagination visions of drowning recurred in her work *The Measure of Life* suggests that Woolf anticipated her suicide and indeed enacted it symbolically many times before the event Marder's account of her death emphasizes the importance of her relationship with her doctor and distant cousin Octavia Wilberforce Wilberforce's letters about Woolf's last months including some previously unpublished passages appear in the appendix Staying close to the spirit of Woolf's own writing Marder traces her evolving social consciousness in the 1930s connecting her growing concern with politics and social history with the facts of her daily life He stresses her endurance as a working writer and explores her friendships her complex relations with servants and her activities at the Hogarth Press *The Measure of Life* illuminates the unspoken quarrels and obscure acts of courage that provide a key as Woolf herself believed to the hidden roots of our existence By letting the reader see events as Virginia Woolf saw them Marder's compelling narrative captures both her unique comic spirit and her profound seriousness

**Intercourse** Andrea Dworkin, 2008-08-01 Andrea Dworkin once called Feminism's Malcolm X has been worshipped reviled criticized and analyzed but never ignored The power of her writing the passion of her ideals and the ferocity of her intellect have spurred the arguments and activism of two generations of feminists Now the book that she's best known for in which she provoked the argument that ultimately split apart the feminist movement is being reissued for the young women and men of the twenty first century *Intercourse* enraged as many readers as it inspired when it was first published in 1987 In it Dworkin argues that in a male supremacist society sex between men and women constitutes a central part of women's subordination to men This

argument was quickly and falsely simplified to all sex is rape in the public arena adding fire to Dworkin's already radical persona. In her introduction to this twentieth anniversary edition of *Intercourse*, Ariel Levy, the author of *Female Chauvinist Pigs*, discusses the circumstances of Dworkin's untimely death in the spring of 2005 and the enormous impact of her life and work. **Winifred Gerin** Helen MacEwan, 2015-10-22 The biographer Winifred Gerin, 1901-81, who wrote the lives of all four Brontë siblings, stumbled on her literary vocation on a visit to Haworth after a difficult decade following the death of her first husband. On the same visit, she met her second husband, a Brontë enthusiast twenty years her junior. Together they turned their backs on London to live within sight of the Parsonage, Gerin believing that full understanding of the Brontës required total immersion in their environment. Gerin's childhood and youth, like the Brontës, was characterised by a cultured home and intense imaginative life shared with her sister and two brothers, and by family tragedies: the loss of two siblings in early life. Strong cultural influences formed the children's imagination: polyglot parents, French history, the Crystal Palace, Old Vic productions. Winifred's years at Newnham College, Cambridge, were enlivened by eccentric characters such as the legendary lecturer Quiller Couch, Q. Lytton Strachey's sister Pernel, and Bloomsbury's favourite philosopher G. E. Moore. Her happy life in Paris with her Belgian cellist husband, Eugene Gerin, was brought to an abrupt end by the Second World War, in which the couple had many adventures fleeing occupied Belgium, saving Jews in Nice, in Vichy France, escaping through Spain and Portugal to England, where they did secret war work for Political Intelligence near Bletchley. After Eugene's death in 1945, Winifred coped with bereavement through poetry and playwriting until discovering her true literary métier on the trip to Haworth. She also wrote about Elizabeth Gaskell, Anne Thackeray Ritchie, and Fanny Burney. The book is based on her letters and on her unpublished memoir.

**Affect and Literature** Alex Houen, 2020-02-06 This book considers how affect—the experience of feeling or emotion—has developed as a critical concept within literary studies in different periods and through a range of approaches. Stretching from the classical to the contemporary, the first section of the book, *Origins*, considers the importance of particular areas of philosophy, theory, and criticism that have been important for conceptualizing affect and its relation to literature. It includes ancient Greek and Roman philosophy, eighteenth-century aesthetics, Marxist theory, psychoanalysis, queer theory, and postcolonial theory. The chapters of the second section, *Developments*, correspond to those of the previous section and build on their insights through readings of particular texts. The final section, *Applications*, is focused on contemporary and future lines of enquiry and revolves around a particular set of concerns: media and communications, capitalism, and an environment of affective relations that extend to ecology, social crisis, and war.

**Social Dance and the Modernist Imagination in Interwar Britain** Rishona Zimring, 2016-12-05 Social dance was ubiquitous in interwar Britain. The social mingling and expression made possible through non-theatrical participatory dancing in couples and groups inspired heated commentary, both vociferous and subtle.
