Fowler Haywood,1722 *Love in Excess; or, the Fatal Enquiry* Eliza Fowler Haywood,2022-08-21 Eliza Fowler Haywood's *Love in Excess or the Fatal Enquiry* is a remarkable piece of literature that delves into the complexities of love passion and societal expectations. This novel is written in a captivating almost melodramatic style that was characteristic of the 18th century literature with its intricate plot twists and emotionally charged dialogues. Set in a world where love knows no boundaries, Haywood's exploration of love triangles and forbidden desires makes this book a riveting read for anyone interested in the intricacies of human relationships and emotions. The novel provides a satirical commentary on the courtship rituals and gender roles prevalent in society at the time, offering a glimpse into the social norms and values of the era. Haywood's vivid descriptions and engaging narrative make *Love in Excess* a timeless classic that continues to captivate readers to this day. Eliza Fowler Haywood, a prominent and controversial figure in the literary circles of the 18th century, was known for her bold and innovative writing style. As one of the most prolific female writers of her time, Haywood challenged conventional ideas about gender and sexuality, paving the way for future generations of female authors. Her personal experiences and observations of the society around her influenced her writings, and *Love in Excess* reflects her deep understanding of human emotions and relationships. I highly recommend *Love in Excess or the Fatal Enquiry* to readers who appreciate insightful commentary on love passion and societal norms, as well as those who enjoy exploring the complexities of human emotions through literature.

Love in Excess Eliza Haywood,2021-09-28 *Love in Excess* 1719-1720 is a novel by Eliza Haywood. Published in three parts by printer William Chetwood, the novel marked Haywood's debut on the London literary scene. It was an immediate bestseller, going through several reprintings in Haywood's lifetime. *Love in Excess* is considered a prime example of the popular genre of amatory fiction, which often used love triangles to expose the imbalance between male and female desire in a patriarchal society. Like all young aristocratic women of their time, Alovera and Amena are expected to wait for a marriage proposal to fall into their laps. Forbidden from expressing her desires, Alovera decides to send an anonymous letter to the handsome rakish D. Elmont. When he receives it, however, he thinks it has been sent by Amena, whom he promptly begins to pursue. Disappointed, Alovera conspires with Amena's father, who disapproves of D. Elmont, to have her rival sent to a convent. Although Alovera ends up with her beau of choice, she soon realizes that desire has a funny way of concealing a lover's true nature. With a beautifully designed cover and professionally typeset manuscript, this edition of Eliza Haywood's *Love in Excess* is a classic of English literature reimagined for modern readers.
