After a series of successful news articles brings her newfound triumph and attention Stacie begins to take herself far too seriously. When she blows one deadline too many her editor gives her a final warning: get an interview with bestselling romance author Cheryl Wright or else. Then Stacie blows the interview and soon finds that both her personal and professional lives are spinning out of control. And to make things worse she's about to betray her best friend Brenda and find herself alone and without the career she's taken for granted. Will Stacie figure out that there's more to life than the glitz and sensationalism that she craves? Will her best friend ever forgive her? And will she ever make amends with the enigmatic Cheryl Wright?

Love Has Wings Isha Judd, 2012-04-03 Isha Judd has taught thousands of people a simple system that shows how to find the luminous state of mind she calls love consciousness in which every moment of life, even the most challenging and frustrating, can be filled with love, peace, and self acceptance. In these pages Isha will teach you to free yourself from the most common fear-based illusions we cling to out of habit: illusions such as there is not enough comfort, it's king, and being passive protects me from making mistakes. Empower yourself to permeate all your roles and responsibilities with love consciousness to joyfully become the best woman or man, partner, parent or child, and employee or boss you can be. Soar above fear, boredom, impatience, jealousy, insecurity, loneliness, and the uncertainty of a world in crisis.
