again Appetites Judith Farquhar, 2002-04-26 Judith Farquhar's innovative study of medicine and popular culture in modern China reveals the thoroughly political and historical character of pleasure. Ranging over a variety of cultural terrains: fiction, medical texts, film and television, journalism and observations of clinics and urban daily life in Beijing, *Appetites* challenges the assumption that the mundane enjoyments of bodily life are natural and unvarying. Farquhar analyzes modern Chinese reflections on embodied existence to show how contemporary appetites are grounded in history. From eating well in improving economic times to memories of the late 1950s famine, from the flavors of traditional Chinese medicine to modernity's private sexual passions, this book argues that embodiment in all its forms must be invented and sustained in public reflections about personal and national life. As much at home in science studies and social theory as in the details of life in Beijing, this account uses anthropology, cultural studies and literary criticism to read contemporary Chinese life in a materialist and reflexive mode. For both Maoist and market reform periods, this is a story of high culture in appetites' desire in collective life and politics in the body and its dispositions.

Three Loving Words D. C. Renee, 2016-03-25 I hate you. I heard those words so many times from his mouth that they lost their meaning. His three loving words is how I mockingly referred to them. It didn't bother me though because I hated him too. He was gorgeous with dark tousled hair, full lips, a strong jaw and a body deserving of a magazine cover. He was rich and cared for his mother deeply. On paper, he was the perfect husband. The problem: He was my husband. I dreamed of a fairytale love story for as long as I could remember. I dreamed of a boy to fall head over heels for me and treat me like the sun rose and set at my feet, especially after living in the shadow of my perfect sister and never feeling good enough for my family. When I decided to earn my parents' love in a dramatic fashion, I'll admit that I never imagined marrying him would end up part of the bargain. The kicker: Enzo Faust didn't want to marry me either. And yet here we are: a man that I both fear and loathe is my I do for better or worse. I just didn't anticipate that it'd be more worse than better. I'm Paige Stiles and here's my story.
