Love Is A Drum Fiction Notes:

Love Is a Drum Wallace Collins, 2000-01-20 THE EXIT INTERVIEW is a story about the competitiveness between two business oriented buddies whose friendship became marred by jealousy and envy ended in tragic circumstances or at best melodramatically In LOVE IS A DRUM Pops is a senior citizen who shares the spotlight with Malcolm a young romantic who projects himself years ahead of his time to emphasize with the old man THE EMPTY STAGE is a story that indulges in the often beguiling concept of reality It speaks to a reality that Billy a television cameraman and Walter a character actor both finds it difficult to identify actuality BLOOD AND WINE is a story that shows the need for our compassion in understanding the vagrant and try to ease if not remedy his eerie and dismal world of existence **The Painted Drum** Louise

Erdrich, 2005-09-06 When a woman named Faye Travers is called upon to appraise the estate of a family in her small New Hampshire town she isn't surprised to discover a forgotten cache of valuable Native American artifacts After all the family descends from an Indian agent who worked on the North Dakota Ojibwe reservation that is home to her mother's family However she stops dead in her tracks when she finds in the collection a rare drum a powerful yet delicate object made from a massive moose skin stretched across a hollow of cedar ornamented with symbols she doesn't recognize and dressed in red tassels and a beaded belt and skirt especially since without touching the instrument she hears it sound From Faye's discovery we trace the drum's passage both backward and forward in time from the reservation on the northern plains to New Hampshire and back Through the voice of Bernard Shaawano an Ojibwe we hear how his grandfather fashioned the drum after years of mourning his young daughter's death and how it changes the lives of those whose paths it crosses And through Faye we hear of her anguished relationship with a local sculptor who himself mourns the loss of a daughter and of the life she has made alone with her mother in the shadow of the death of Faye's sister Through these compelling voices The Painted Drum explores the strange power that lost children exert on the memories of those they leave behind and as the novel unfolds its elegantly crafted narrative comes to embody the intricate transformative rhythms of human grief One finds throughout the grace and wit the captivating prose and surprising beauty that characterize Louise Erdrich's finest work
