Love Is Blind Dangerous The Psychopath:

Love is Blind and Dangerous Brad Dunaway, 2001-07 A true story as gripping as the most compelling novel This is the account of a retired CEO divorced and eager to spend the remainder of his life in a goal oriented desert resort community with his beautiful fiancée whom he loves unconditionally despite her past relationship with a slick con artist His dream abruptly shatters when he survives an attempted poisoning by the very woman he is soon to marry Subsequent investigations into her background reveal a menacing conspiracy between the ex fiancée and the ex wife The heart of this well documented story is the venomous betrayal of trust generously served to an unsuspecting lover by a dangerous psychopath *Women who Love Psychopaths* Sandra L. Brown, Jennifer R. Young, 2018 *The Psychopath Test* Jon Ronson, 2011-06-03 What if society wasn't fundamentally rational but was motivated by insanity This thought sets Jon Ronson on an utterly compelling adventure into the world of madness Along the way Jon meets psychopaths those whose lives have been touched by madness and those whose job it is to diagnose it including the influential psychologist who developed the Psychopath Test from whom Jon learns the art of psychopath spotting A skill which seemingly reveals that madness could indeed be at the heart of everything Combining Jon Ronson's trademark humour charm and investigative incision *The Psychopath Test* is both entertaining and honest unearthing dangerous truths and asking serious questions about how we define normality in a world where we are increasingly judged by our maddest edges The belly laughs come thick and fast my God he is funny provocative and interesting Observer *Life with Picasso* Françoise Gilot, Carlton Lake, 2019-06-11 Françoise Gilot's candid memoir remains one of the most illuminating books we've had on the mind and spirit of Picasso and gives fascinating insight into the intense and creative life shared by two modern artists Los Angeles Times Françoise Gilot was in her early twenties when she met the sixty one year old Pablo Picasso in 1943 Brought up in a well to do upper middle class family who had sent her to Cambridge and the Sorbonne and hoped that she would go into law the young woman defied their wishes and set her sights on being an artist Her introduction to Picasso led to a friendship a love affair and a relationship of ten years during which Gilot gave birth to Picasso's two children Paloma and Claude Gilot was one of Picasso's muses she was also very much her own woman determined to make herself into the remarkable painter she did indeed become *Life with Picasso* is about Picasso the artist and Picasso the man We hear him talking about painting and sculpture his life his career as well as other artists both contemporaries and old masters We glimpse Picasso in his many and volatile moods dismissing his work exultant over his work entertaining his various superstitions being an anxious father But *Life with Picasso* is not only a portrait of a great artist at the height of his fame it is also a picture of a talented young woman of exacting intelligence at the outset of her own notable career Confessions of a Sociopath M.E.
