Love Is Hard Work:

Work Won't Love You Back Sarah Jaffe, 2021-01-26 A deeply reported examination of why doing what you love is a recipe for exploitation creating a new tyranny of work in which we cheerily acquiesce to doing jobs that take over our lives You're told that if you do what you love you'll never work a day in your life Whether it's working for exposure and experience or enduring poor treatment in the name of being part of the family all employees are pushed to make sacrifices for the privilege of being able to do what we love In Work Won't Love You Back Sarah Jaffe a preeminent voice on labor inequality and social movements examines this labor of love myth the idea that certain work is not really work and therefore should be done out of passion instead of pay Told through the lives and experiences of workers in various industries from the unpaid intern to the overworked teacher to the nonprofit worker and even the professional athlete Jaffe reveals how all of us have been tricked into buying into a new tyranny of work As Jaffe argues understanding the trap of the labor of love will empower us to work less and demand what our work is worth And once freed from those binds we can finally figure out what actually gives us joy pleasure and satisfaction

Hard to Love Briallen Hopper, 2019-02-05 A sharp and entertaining essay collection about the importance of multiple forms of love and friendship in a world designed for couples from a laser precise new voice Sometimes it seems like there are two American creeds self reliance and marriage and neither of them is mine I experience myself as someone formed and sustained by others love and patience by student loans and stipends by the kindness of strangers Briallen Hopper's Hard to Love honors the categories of loves and relationships beyond marriage the ones that are often treated as invisible or seen as secondary friendships kinship with adult siblings care teams that form in times of illness or various alternative family formations She also values difficult and amorphous loves like loving a challenging job or inanimate objects that can't love you back She draws from personal experience sharing stories about her loving but combative family the fiercely independent Emerson scholar who pushed her away and the friends who have become her invented or found family pop culture touchstones like the Women's March John Green's The Fault in Our Stars and the timeless series Cheers and the work of writers like Joan Didion Gwendolyn Brooks Flannery O'Connor and Herman Melville Moby Dick like you've never seen it Hard to Love pays homage and attention to unlikely friends and lovers both real and fictional It is a series of love letters to the meaningful if underappreciated forms of intimacy and community that are tricky tangled and tough but ultimately sustaining

Why You Will Marry the Wrong Person The School of Life, 2017-04-27 A collection of essays extended from The New York Times most read article of 2016 Anyone we might marry could of course be a little bit wrong for us We don't expect bliss every day The fault isn't entirely our own it has to do with the devilish truth that anyone we're liable to meet is going to be rather wrong in some fascinating way or another because this is simply what all humans happen to be including sadly ourselves This collection of essays proposes that we don't need perfection to be happy So long as we enter our relationships in the right spirit we have every chance of coping well enough with and even delighting

in the inevitable and distinctive wrongness that lies in ourselves and our beloveds The Course of Love Alain de Botton, 2016-06-14 An engrossing tale that provides plenty of food for thought People Best New Books pick this playful wise and profoundly moving second novel from the internationally bestselling author of *How Proust Can Change Your Life* tracks the beautifully complicated arc of a romantic partnership We all know the headiness and excitement of the early days of love But what comes after In Edinburgh a couple Rabih and Kirsten fall in love They get married they have children but no long term relationship is as simple as happily ever after The Course of Love explores what happens after the birth of love what it takes to maintain and what happens to our original ideals under the pressures of an average existence We see along with Rabih and Kirsten the first flush of infatuation the effortlessness of falling into romantic love and the course of life thereafter Interwoven with their story and its challenges is an overlay of philosophy an annotation and a guide to what we are reading As The New York Times says The Course of Love is a return to the form that made Mr de Botton's name in the mid 1990s love is the subject best suited to his obsessive aphorizing and in this novel he again shows off his ability to pin our hopes methods and insecurities to the page This is a Romantic novel in the true sense one interested in exploring how love can survive and thrive in the long term The result is a sensory experience fictional philosophical psychological that urges us to identify deeply with these characters and to reflect on his and her own experiences in love Fresh visceral and utterly compelling The Course of Love is a provocative and life affirming novel for everyone who believes in love There's no writer alive like de Botton and his latest ambitious undertaking is as enlightening and humanizing as his previous works Chicago Tribune *Secrets of Great Marriages* Charlie Bloom, Linda Bloom, 2010-10-05 Therapists Charlie and Linda Bloom have been married more than thirty five years Over a two year period they interviewed twenty seven couples who had been together for an average of thirty years and seemed as happy as newlyweds Were they just lucky The Blooms found that these couples had faced real challenges difficulties with children and stepchildren war wounds infidelity and financial ruin They also found that with loving dialogue and open hearts the couples had found ways to heal grow and deepen their commitment through and not despite their challenges The Blooms distill this real world wisdom into practical positive actions any couple can take to achieve or regain not just a good marriage but a great one *Hard Love* Ellen Wittlinger, 2012-06-19 With keen insight into teenage life Ellen Wittlinger delivers a story of adolescence that is fierce and funny and ultimately transforming even as it explores the pain of growing up Since his parents divorce John's mother hasn't touched him her new fiancé wants them to move away and his father would rather be anywhere than at Friday night dinner with his son It's no wonder John writes articles like Interview with the Stepfather and Memoirs from Hell The only release he finds is in homemade zines like the amazing Escape Velocity by Marisol a self proclaimed Puerto Rican Cuban Yankee Lesbian Hanging around the Boston Tower Records for the new issue of Escape Velocity John meets Marisol and a hard love is born While at first their friendship is based on zines dysfunctional families and dreams of escape soon both John and Marisol begin to shed their protective shells

Unfortunately John mistakes this growing intimacy for love and a disastrous date to his junior prom leaves that friendship in ruins Desperately hoping to fix things John convinces Marisol to come with him to a zine conference on Cape Cod On the sandy beaches by the Bluefish Wharf Inn John realizes just how hard love can be **Love You Hard** Abby

Maslin,2019-03-12 Abby Maslin shares an inspiring story of resilience and commitment in a deeply affecting new memoir After her husband suffered a traumatic brain injury the couple worked together as he recovered and they learned to love again When Abby Maslin s husband TC didn t make it home on August 18 2012 she knew something was terribly wrong Her fears were confirmed when she learned that her husband had been beaten by three men and left for dead mere blocks from home all for his cell phone and debit card The days and months that followed were a grueling test of faith As TC recovered from a severe traumatic brain injury that left him unable to speak and walk Abby faced the challenge of caring for and loving a husband who now resembled a stranger Love You Hard is the raw unflinchingly honest story of a young love left broken and the resilience required to mend a life and remake a marriage Told from the caregiver s perspective this book is a daring exploration of true love what it means to love beyond language beyond abilities and into the place that reveals who we really are At the heart of Abby and TC s unique and captivating story are the universal truths that bind us all This is a tale of living and loving wholeheartedly learning to heal after profound grief and choosing joy in the wake of tragedy **Essays In Love**
