Love Is Where It Falls:

Love is where it Falls Simon Callow, 1999 When Simon Callow first met Peggy Ramsay he could hardly have suspected that his encounter with the play agent would blossom into passionate love There was the age difference for one thing Callow was barely 30 Peggy was in her seventies And then there was Aziz the handsome but mercurial Egyptian with whom Callow was already deeply in love

How to Fall in Love with Anyone Mandy Len Catron, 2017-06-27 A beautifully written and well researched cultural criticism as well as an honest memoir Los Angeles Review of Books from the author of the popular New York Times essay To Fall in Love with Anyone Do This explores the romantic myths we create and explains how they limit our ability to achieve and sustain intimacy What really makes love last Does love ever work the way we say it does in movies and books and Facebook posts Or does obsessing over those love stories hurt our real life relationships When her parents divorced after a twenty eight year marriage and her own ten year relationship ended those were the questions that Mandy Len Catron wanted to answer In a series of candid vulnerable and wise essays that takes a closer look at what it means to love someone be loved and how we present our love to the world Catron melds science and emotion beautifully into a thoughtful and thought provoking meditation Bookpage She delves back to 1944 when her grandparents met in a coal mining town in Appalachia to her own dating life as a professor in Vancouver She uses biologists research into dopamine triggers to ask whether the need to love is an innate human drive She uses literary theory to show why we prefer certain kinds of love stories She urges us to question the unwritten scripts we follow in relationships and looks into where those scripts come from And she tells the story of how she decided to test an experiment that she'd read about where the goal was to create intimacy between strangers using a list of thirty six questions and ended up in the surreal situation of having millions of people following her brand new relationship Perfect fodder for the romantic and the cynic in all of us Booklist How to Fall in Love with Anyone flips the script on love Clear eyed and full of heart it is mandatory reading for anyone coping with or curious about the challenges of contemporary courtship The Toronto Star

An Unexpected Kind of Love Hayden Stone, 2021 Bookstore owner Aubrey Barnes likes his quiet orderly London life thank you very much His shop may be struggling his only employee is a menace and his plumbing is one creaky pipe away from disaster but he can handle it Maybe He cannot however handle the film company that's thrown his Soho street into chaos And he definitely can't handle the charismatic American actor Blake Sinclair Which is why he's extremely reluctant to lease out his shop as a set for Blake's film but it's his one opportunity to save his business Now he can't get away from the distractingly hot actor Then Aubrey finds himself alone with Blake in a trailer and what happens next turns London's heat wave into an inferno that leaves him breathless Aubrey is not cut out for the high profile life of dating a celebrity especially an American actor who's not even out yet Good thing their tryst is absolutely not going anywhere Of

Where the Light Fell Philip Yancey, 2021-10-05 In this searing meditation on the bonds of family and the allure of extremist faith one of today's most celebrated Christian writers recounts his unexpected journey from a strict fundamentalist upbringing to a life of compassion and grace a revelatory memoir that invites comparison to Hillbilly Elegy Publishers Weekly starred review Searing heartrending This stunning tale reminds us that the only way to keep living is to ask God for the impossible love forgiveness and hope Kate Bowler New York Times bestselling author of Everything Happens for a Reason Raised by an impoverished widow who earned room and board as a Bible teacher in 1950s Atlanta Philip Yancey and his brother Marshall found ways to

venture out beyond the confines of their eight foot wide trailer But when Yancey was in college he uncovered a shocking secret about his father s death a secret that began to illuminate the motivations that drove his mother to extreme often hostile religious convictions and a belief that her sons had been ordained for a divine cause Searching for answers Yancey dives into his family origins taking us on an evocative journey from the backwoods of the Bible Belt to the bustling streets of Philadelphia from trailer parks to church sanctuaries from family oddballs to fire and brimstone preachers and childhood awakenings through nature music and literature In time the weight of religious and family pressure sent both sons on opposite paths one toward healing from the impact of what he calls a toxic faith the other into a self destructive spiral Where the Light Fell is a gripping family narrative set against a turbulent time in post World War II America shaped by the collision of Southern fundamentalism with the mounting pressures of the civil rights movement and Sixties era forces of social change In piecing together his fragmented personal history and his search for redemption Yancey gives testament to the enduring power of our hunger for truth and the possibility of faith rooted in grace instead of fear I truly believe this is the one book I was put on earth to write says Yancey So many of the strands from my childhood racial hostility political division culture wars have resurfaced in modern form Looking back points me forward
