66 Love Letters Larry Crabb, 2011-05-09 Have you ever read the Bible only to come away confused Learn the meaning of each of the 66 books of the Bible and how each one is a love letter to God's people After working with people as a psychologist for four decades author Larry Crabb invites you to explore the Bible in a new way He offers a fresh relational look at Scripture through intimate discussions with God Told through a series of conversations between himself and God Larry wrestles through what God intends us to understand in each of the 66 books of the Bible Each book tells a story that is a part of a larger one of God and how He loves His people Perfect for a small group bible study or used as a daily devotional Larry asks deeply honest questions such as God what is it you wanted me to see in Obadiah And what's up with Leviticus Is there anything there for me This one verse in Galatians has always frustrated me Why is that The way you wrote Revelation makes it difficult to understand why didn't you just describe what will happen in a straightforward way Listen to the story of God unfold through these chapters and you'll find not only His redeeming love but His plan and provision designed especially for you Though life may not be going according to your plan God has another one far better than you can imagine From Genesis to Revelation experience His invitation to get you dancing with joy **Love Letters to God** Vickie E.

Johnson, 2008-03 Love Letters is a collection of soul born poetry that is an expression of the writer's daily walk with the love of her life Jesus Christ The book renders responses to spiritual and emotional struggles and triumphs prayers and miraculous answers along with times of supposed distance from God and renewed fellowship and devotion It is relatable to anyone who is familiar with the pains associated with life and daily interactions with people who are sometimes not so kind It keeps us reminded that there is Someone always present to help us pick up the pieces and go on to love us to comfort us and encourage us to be all that we can He Jesus is the Lover to whom these songs are written both the giver and the object of utmost affection The writer would also have us to understand that in spite of what the subtitle may suggest this book A Book of Psalms is in no way to be seen as an attempt to substitute for THE book of Psalms That simply cannot be This is why

seventy five poems were written which is exactly half of the Book of Psalms one hundred fifty to suggest a desire to be at least half the poet that David was said with a smile It is written relative to the life devotion and struggles of one who walks with God in this present day and time and it is hopeful that the reader will discern this and thus be enhanced in some way by it
