## Love Of God The :

**The Love of God** Oswald Chambers,2020-02-04 This deeply scriptural spiritually practical book by Oswald Chambers explores the difference God's love makes both in this world and in our lives You'll discover a greater intimacy with Christ a richer knowledge of Him and a better understanding of how to share His love with others **The Love of God** Jon D. Levenson,2020-03-31 The love of God is perhaps the most essential element in Judaism but also one of the most confounding In biblical and rabbinic literature the obligation to love God appears as a formal commandment Yet most people today think of love as a feeling How can an emotion be commanded How could one ever fulfill such a requirement The Love of God places these scholarly and existential questions in a new light Jon Levenson traces the origins of the concept to the ancient institution of covenant showing how covenantal love is a matter neither of sentiment nor of dry legalism The love of God is instead a deeply personal two way relationship that finds expression in God's mysterious love for the people of Israel who in turn observe God's laws out of profound gratitude for his acts of deliverance Levenson explores how this bond has survived episodes in which God's love appears to be painfully absent as in the brutal persecutions of Talmudic times and describes the intensely erotic portrayals of the relationship by biblical prophets and rabbinic interpreters of the Song of Songs He examines the love of God as a spiritual discipline in the Middle Ages as well as efforts by two influential modern Jewish thinkers Martin Buber and Franz Rosenzweig to recover this vital but endangered aspect of their tradition A breathtaking work of scholarship and spirituality alike that is certain to provoke debate The Love of God develops fascinating insights into the foundations of religious life in the classical Jewish tradition Publisher **God's Love** R. C. Sproul,2012-09-01 Dr R C Sproul is one of the most renowned theologians of our time For over 40 years Dr Sproul has encouraged educated and enlightened millions through his books teaching and ministry God doesn't just love us He is love God's Love explores the unrelenting love of God which found its ultimate expression through His Son This release also explains difficult themes such as the different aspects of God's nature how His love coexists with His holiness and what the Bible means when it mentions God's hatred This is a compelling read for all who long to love as God loves *God of Love* Mirabai Starr,2012-04-30 Shares an overview of teachings stories of saints and spiritual masters and prophetic calls for peace and justice in the three religions guiding readers to recognize the similarities that unify rather than divide them **For the Love of God (Vol. 1, Trade Paperback)** D. A. Carson,2006-07-10 In a world that views absolute truth right and wrong and salvation as being subject to individual interpretation the Bible's unwavering proclamations and miraculous stories seem obsolete in modern times But it is not God's Word that has changed Indeed its relevancy and its power to transform lives are intact What has changed is the number of people who consult it Now more than ever the need to read the Bible to understand the big picture of its storyline and to grasp the relevance this has for your life is critical As with its companion volume For the Love of God Volume 2 this devotional contains a systematic 365 day plan based on the M Cheyne Bible reading schedule that will in the course of a year

guide you through the New Testament and Psalms twice and the rest of the Old Testament once In an effort to help preserve biblical thinking and living D A Carson has also written thought provoking comments and reflections regarding each day s scriptural passages And most uniquely he offers you perspective that places each reading into the larger framework of history and God s eternal plan to deepen your understanding of his sovereignty and the unity and power of his Word

**Love Like Jesus: How Jesus Loved People (and how you can love like Jesus)** Kurt Bennett, 2020-02-11 Based on Kurt Bennett s popular ish blog *God Running* *Love Like Jesus* begins with the story of how after a life of regular church attendance and Bible study Bennett was challenged by a pastor to study Jesus That led to an obsessive seven year deep dive After pouring over Jesus every interaction with another human being he realized he was doing a much better job of studying Jesus words than he was following Jesus words and example The honest and fearless revelations of Bennett s own moral failures affirm he wrote this book for himself as much as for others *Love Like Jesus* examines a variety of stories examples and research including Specific examples of how Jesus communicated God s love to others How Jesus demonstrated all five of Gary Chapman s love languages and how you can too The story of how Billy Graham extended Christ s extraordinary love and grace toward a man who misrepresented Jesus to millions How to respond to critics the way Jesus did How to love unlovable people the way Jesus did How to survive a life of loving like Jesus or how not to become a Christian doormat How Jesus didn t love everyone the same and why you shouldn t either How Jesus guarded his heart by taking care of himself he even napped and why you

should do the same How Jesus loved his betrayer Judas even to the very end With genuine unfiltered honesty Love Like Jesus shows you how to live a life according to God s definition of success A life of loving God well and loving the people around you well too A life of loving like Jesus *For the Love of God* Alicia Ostriker,2007 For the Love of God is a provocative and inspiring reinterpretation of six essential Biblical texts Attempting to understand some of the wildest strangest most splendid writing in Western tradition Alicia Suskin Ostriker shows how the Bible embraces sexuality and skepticism boundary crossing and challenges to authority how it illuminates the human psyche and mirrors our own violent times and how it asks us to make difficult choices in the quest for justice **The Difficult Doctrine of the Love of God** D. A. Carson,2010-01-01

Star,2023-05-18 The Real Word of God series began in 2019 part one being published in 2020 There has been much information delivered in this series and I am being called to take a break from this series after part V There is so much information to be processed and so many layers of healing in that process that I must stop delivering the information and allow humanity to catch up with it Too much too fast is destructive to evolution and even though I have enough information to continue writing in this series it would hinder the ability for humanity to genuinely learn all of the lessons involved Use me as an example of listening to intuitive guidance for the greater good of humanity versus the plans our limited human mind sets in place I will continue to work in different ways as I am being called to take action in new ways We are limitless when walking as a vessel of creation There is no final destination to reach there is no point where you re almost there You are always there exactly where you need to be with an opportunity to choose the next level of yourself When you feel stuck this series was given to me to give to you to bring you out of the dark I Love You Love Shanna **Marked by Love** Catherine Toon,2017-05-07 Love is not only a powerful emotion but a Person This book provides an in depth exploration of Love Catherine will lead you to intimately encounter God as Love throughout the book with her Love Encounter Break exercises In doing so you will begin to unveil the way He has uniquely and exquisitely created and marked you As you connect with who you truly are you will be empowered to make your unique mark on a world that is starving for love **Misquoting Jesus** Bart D. Ehrman,2007-02-06 For almost 1 500 years the New Testament manuscripts were copied by hand and mistakes and intentional changes abound in the competing manuscript versions Religious and biblical scholar Bart Ehrman makes the provocative case that many of our widely held beliefs concerning the divinity of Jesus the Trinity and the divine origins of the Bible itself are the results of both intentional and accidental alterations by scribes In this compelling and fascinating book Ehrman shows where and why changes were made in our earliest surviving manuscripts explaining for the first time how the many variations of our cherished biblical stories came to be and why only certain versions of the stories qualify for publication in the Bibles we read today Ehrman frames his account with personal reflections on how his study of the Greek manuscripts made him abandon his once ultra conservative views of the Bible **The Love of God** Christopher W. Morgan,2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God s love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God s love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series **The Love of God** Jon D. Levenson,2016 The love of God is perhaps

the most essential element in Judaism but also one of the most confounding In biblical and rabbinic literature the obligation to love God appears as a formal commandment Yet most people today think of love as a feeling How can an emotion be commanded How could one ever fulfill such a requirement The Love of God places these scholarly and existential questions in a new light Jon Levenson traces the origins of the concept to the ancient institution of covenant showing how covenantal love is a matter neither of sentiment nor of dry legalism The love of God is instead a deeply personal two way relationship that finds expression in God s mysterious love for the people of Israel who in turn observe God s laws out of profound gratitude for his acts of deliverance Levenson explores how this bond has survived episodes in which God s love appears to be painfully absent as in the brutal persecutions of Talmudic times and describes the intensely erotic portrayals of the relationship by biblical prophets and rabbinic interpreters of the Song of Songs He examines the love of God as a spiritual discipline in the Middle Ages as well as efforts by two influential modern Jewish thinkers Martin Buber and Franz Rosenzweig to recover this vital but endangered aspect of their tradition A breathtaking work of scholarship and spirituality alike that is certain to provoke debate The Love of God develops fascinating insights into the foundations of religious life in the classical Jewish tradition
