The Air We Breathe Glen Scrivener,2022-05-01 Discover the Christian roots of the values we prize in western society Is Christianity history Or is Christian history the deepest explanation of the modern world Today in the west many consider the church to be dead or dying Christianity is seen as outdated bigoted and responsible for many of society s problems This leaves many believers embarrassed about their faith and many outsiders wary of religion But what if the Christian message is not the enemy of our modern Western values but the very thing that makes sense of them In this fascinating book Glen Scrivener takes readers on a journey to discover how the teachings of Jesus not only turned the ancient world upside down but continue to underpin the way we think of life worth and meaning Far from being a relic from the past the distinctive ideas of Christianity such as freedom kindness progress and equality are a crucial part of the air that we breathe As author Glen Scrivener says in his introduction The extraordinary impact of Christianity is seen in the fact that we don t notice it This is a book for both believers and sceptics giving Christians confidence to be open about their faith and showing non Christians the ways in which the message of Jesus makes sense of their most cherished beliefs Whoever you are you ll gain a deeper appreciation for the values you hold dear as you discover the power and profundity of Jesus and his revolution

God Can't Thomas Jay Oord,2019-01-05 Hurting people ask heart felt questions about God and suffering Some answers they receive appeal to mystery God s ways are not our ways Some answers say God allows evil for a greater purpose Some say evil is God s punishment The usual answers fail They don t support the truth that God loves everyone all the time God Can t gives a believable answer to why a good and powerful God doesn t prevent evil Author Thomas Jay Oord says God s love is inherently uncontrolling God loves everyone and everything so God can t control anyone or anything This means God cannot prevent evil singlehandedly God can t stop evildoers whether human animal organism or inanimate objects and forces In God Can t Oord gives a plausible reason why some are healed but many others are not God always works to heal everyone but

sometimes our bodies organisms or other creatures do not cooperate with God's healing work Or the conditions of creation are not right for the healing God wants to do Some people think God causes or allows suffering to teach us lessons or build our character God Can't disagree Oord says God squeezes good from the evil God didn't want in the first place God uses pain and suffering without willing or even allowing it Most people think God can overcome evil singlehandedly In God Can't Oord says God needs cooperation for love to reign now and later This leads to a better view of the afterlife called relentless love It rejects traditional ideas of heaven hell and annihilation Relentless love holds to the possibility all creatures and all creation will respond to God's love God Can't is written in understandable language As a world renowned theologian Thomas Jay Oord brings credibility to the book's radical ideas He explains these ideas through true stories illustrations and scripture God Can't is for those who want answers to tragedy abuse and other evils that make sense What They're Saying If conventional notions of God make less and less sense to you you'll find Thomas Jay Oord's new book a breath of fresh air Simply put God Can't presents an understanding of God that thoughtful ethical people can believe in Brian D McLaren author of The Great Spiritual Migration I did not want this book to end I wish Dr Oord had written it 100 years ago or 1000 years ago To find your understanding of life and your love for God renewed read this book Dr Karen Strand Winslow Ph.D Biblical and Jewish Studies Professor of Bible Azusa Pacific University As a clinical psychologist working with people in trauma I owe Thomas Jay Oord an enormous debt of gratitude for recasting the so-called problem of evil in terms that are conceptually satisfying theologically consistent and pastorally liberating Dr Roger Bretherton Principal Lecturer at the University of Lincoln UK Chair of the British Association of Christians in Psychology Victims of trauma sometimes hear theological responses that imply their suffering is somehow God's will A more careful theological reflection on the nature of the power of a God who is love can help Oord gives us a clear and compelling alternative in this profoundly insightful and admirably concrete and accessible book Dr Anna Case Winters Professor of Theology at McCormick Theological Seminary I know of no book that speaks to suffering with the depth of theological sophistication and psychological sensitivity as God Can't This book is a rare combination of depth and accessibility truly written for the wounded I recommend it to my students parishioners and therapy clients Dr Brad D Strawn Professor of the Integration of Psychology and Theology Fuller Theological Seminary

Pluriform Love Thomas Jay Oord, 2022-02-25 A masterpiece from the preeminent theologian of love A strong case can be made that love is the core of Christian faith And yet Christians often fail to give love center stage in biblical studies and theology And most fail to explain what they mean by love Why is this Thomas Jay Oord explores this question and offers ground-breaking answers Oord addresses leading Christian thinkers today and of yesteryear He explains biblical forms of love such as agape philia hesed and ahavah We should understand love's meaning as uniform he says but its expressions are pluriform Widely regarded as the world's foremost theologian of love Thomas Jay Oord tackles our biggest puzzles about the nature and meaning of love divine and creaturely His proposals are novel They align with love described in scripture and

expressed in everyday experience Oord also provides radical and yet persuasive answers to questions about evil hell the Big Bang divine violence divine abandonment and more Pluriform Love changes the landscape of Christian love studies What they're saying Thomas Jay Oord is the first to systematically clarify a variety of types of love and show that all are characteristic of God This is an original contribution to theology Though a complex task Oord writes in an accessible and attractive way John B Cobb Jr Cobb Institute Author of *Salvation Jesus's Mission and Ours* Christian theology in the years to come will need a facelift a true restoration of the biblical witness to the centrality of God's love If we wish to help make the faith truly relatable to our world today Oord's clear compassionate and compelling voice is one we will be thankful for Peter Enns Eastern University and Co host of *The Bible for Normal People* Thomas Jay Oord adds to his proposals on open and relational theology developing a theology of love which is both uniform in meaning and pluriform according to situation and recipients The volume is indispensable for those researching the nature of love Paul Fiddes University of Oxford The glowing multiform forcefield of love embraces every sentence of *Pluriform Love* Free of sentimentality and pretense refusing to pit eros and agape against each other it unfolds a full scale theology This amorous vision will attract a wide readership Catherine Keller Drew University Author of *Facing Apocalypse* Thomas Oord is a global leader exploring the primacy of love within Christian thought and practice In this book he presents a theology of love in a loving way When he grapples with the Scriptures he shows an attitude of fairness His writing style combines scholarly depth with accessible simplicity In the end Oord makes a radical claim much of traditional Christian theology cannot take love as seriously as it must Love must revolutionize Christian theology and Oord explains how Brian D McLaren Author of *Do I Stay Christian* This is a rigorous provocative creative and very readable account of the meaning of love especially divine love It's a very important contribution to theological thought on this central topic Keith Ward University of Oxford [The Lausanne Covenant](#) John R.
