Love One Another My Friends:

Love One Another, My Friends Augustine, 2009-01-02 Augustine's interpretation is spiritual his were not scholarly or academic concerns and John Leinenweber's translation is fresh and accessible capturing the clarity brilliance and inspired passion of the original John has said many things stated Augustine and almost all of them concern love The first six of the ten homilies were delivered on the days of the Easter octave This period proved too short for Augustine to cover the whole of the letter and he preached four additional homilies later in the spring In his Confessions Augustine spoke of his great longing as a youth to love and be loved a topic that appealed greatly to his listeners During the course of delivering these homilies he was interrupted time and again by applause and shouts of enthusiasm The ten homilies are broken up into twenty four short chapters for example The Commandment of Love Two Loves of God and of the World Christ and Antichrists Unanswered Prayer God is Love God Has Loved Us First Love Casts Out Fear His are in large part moral teachings dealing with such topics as prayer our enemies fear of God the church the world so important in Saint John's writings What does one actually do to love God and others What are the pitfalls of loving How can one learn to love more Throughout the homilies Augustine's great desire to love and be loved and to live eternally with God are eloquently expressed Believing himself ignorant of Scripture he had initially considered himself ill prepared for the priesthood Augustine's subsequent tireless studies unleashed a stream of biblical commentaries that led him to be ranked with Thomas Aquinas as one of the greatest teachers the Western Church has ever produced and one of its greatest Fathers His towering intellect molded the thought of Western Christianity and his ideas dominated the thinking of the Western world for a thousand years after his death Augustine wrote profusely explaining and defending the faith Called Doctor of Grace his best known works are his Confessions one of the greatest spiritual classics of all time and City of God an exposition of a Christian philosophy of history Character Matters Aaron Menikoff, 2020-05-05 Pastor it's time to turn down the noise and focus on what matters Today's pastoral world is packed with books conferences and seminars teaching you different techniques for being an all star pastor growing your church quickly and changing the world But the key to true success is much harder and much simpler Pastors are called to be faithful to have exemplary character and to love Jesus Without faithfulness their ministry ends up harming others rather than helping them Churches need pastors with sound doctrine and a sound life Character Matters was written to help you slow down cut through the noise and distractions and focus on what matters the fruit of the Spirit Each chapter is a guided biblical meditation on one aspect of each piece of the fruit of the Spirit As you reflect and focus on the simple things that matter you'll see your heart change and your ministry follow slowly surely and by the power of the Spirit Love Riot Sara Barratt, 2020-05-05 Young people are walking away from the church and those still in the church often struggle with indifference about their faith But it doesn't have to be this way It's time for a revolution a holy uprising A riot With passion and authenticity teen author Sara Barratt calls on her generation to reject apathy and embrace a daring costly faith Not

content with safe religion that demands nothing of us Sara shows teens how they can stop giving in to the status quo and devote themselves fully to Christ following him no matter what their friends do or the culture around them does She challenges them to give everything over their comfort zones their time their loyalties their pride and discover that in losing control they are gaining the life that was meant for them all along Love Riot is a battle cry from one teen to another to embrace a life of wholehearted commitment and relentless abandon for Christ no matter the cost Friend-ish Kelly Needham,2019-08-27 For so many of us our friends are like family members we lean on them through our highest highs and our lowest lows but sometimes those friendships don't turn out quite as we hoped Bible teacher Kelly Needham debunks our world's constricted narrow view of friendship and casts a richer more life giving biblical vision for friendship In Friend-ish Kelly Needham reminds us that we were called to more than halfhearted friendships and lukewarm connections We need something more stable secure and sacred We were designed for real friendship but the difficult truth is that too many of us are settling for less Kelly deconstructs what Scripture says about the gift of friendship and takes a closer look at the distorted view that most of us have instead As she shares the lessons she's learned from experience Kelly paints her own glorious vision of what Christian friendship could look like With hard fought wisdom a clear view of Scripture and a been there perspective Friend-ish teaches us how to Recognize symptoms of idolatry and toxic dependency Boldly ask for what we need from our community of friends Understand and address the problems that arise in friendship from neediness to discord Recognize when it's time to end an unhealthy friendship Reorient toward the purposeful loving relationships we all crave that ultimately bring us closer to God Find the friends you need and start to become that friend for others Join Kelly as she challenges you to view your chosen family in a new light gain a vision of friendship according to Jesus and finally enjoy friendships as God intended Spectacular Sins John Piper,2008-09-12 John Piper delivers powerful biblical reassurances to bolster readers trust in the sovereignty of God and the supremacy of Christ when evil and tragedy come If God governs the sinful acts of men then does the devastation caused by those terrorists dictators murderers cheats and abusers discredit Jesus words All authority in heaven and earth belongs to me When heart rending news comes of the latest accident illness or natural disaster can we really believe that in Jesus all things hold together Though God has not answered all of our questions about sin and suffering there are things he wants us to know things he declares in his Word such as what's at stake in the spectacular sins of others and the horrible tragedies of this life their global purpose both historically and today and what these events say to us personally As John Piper works through these biblical truths this book will bolster readers trust in the utter sovereignty of God such that they'll be less timid in their witness and less afraid of whatever may come It is also a joy infused declaration that because everything occurs through Christ and for Christ and his glory they are forever secure in him

Whistling in the Dark Frederick Buechner,2009-10-13 Awry and thought provoking jaunt through the spiritual terrain of our everyday language a lexicon of uncommon insight to jar the mind and nourish the soul I think of faith as a kind of

whistling in the dark because in much the same way writes Buechner it helps to give us courage and to hold the shadows at bay

Spiritual Friendship Saint Aelred (of Rievaulx), 1974 Follows and completes Aelred's earlier treatise on love The Mirror of Charity In it he reflects on the theories of friendship propounded by the great stoic philosophic Cicero A humanist and a Christian monk Aelred advocated friendship on both the natural and the supernatural plane Frankness and not flattery generosity and not gain patience in correction and constancy in affection he saw as the marks of a genuine friendship

Politics and Piety Aaron Menikoff, 2014-05-29 Historians have painted a picture of nineteenth century Baptists huddled in clapboard meetinghouses preaching sermons and singing hymns seemingly unaware of the wider world According to this view Baptists were so heavenly minded they were of no earthly good Overlooked are the illustrative stories of Baptists fighting poverty promoting abolition petitioning Congress and debating tax policy Politics and Piety is a careful look at antebellum Baptist life It is seen in figures such as John Broadus whose first sermon promoted temperance David Barrow who formed an anti slavery association in Kentucky and in a Savannah church that started a ministry to the homeless Not only did Baptists promote piety for the good of their churches but they did so for the betterment of society at large Though they aimed to change America one soul at a time that is only part of the story They also engaged the political arena forcefully and directly Simply put Baptists were social reformers Relying on the ideas of rank and file Baptists found in the minutes of local churches and associations as well as the popular parochial newspapers of the day Politics and Piety uncovers a theologically minded and controversial movement to improve the nation Understanding where these Baptists united and divided is a key to unlocking the differences in evangelical political engagement today
