out those relational metaphors images and narratives of practice which are profound enough to shape our self perceptions and to fund our moral formation This book explores five ethical spheres sacrifice community craft tradition and moral imagination and five respective pedagogical images which illuminate the nature of professional care servant moral friend mentor covenantor and moral companion When critically engaged and appropriated these rich metaphorical images provide clarity order and meaning to our perceptions and powerful imperatives for our own moral development **Moral Warriors, Moral Wounds** Wollom A. Jensen, James M. Childs Jr., 2016-05-19 The experience of Wollom Jensen s distinguished career in military service and James Childs s long and productive career in the fields of theology and ethics combine to bring Christian ethics into dialogue with the harsh realities of military service in today s world of war The authors seek to correlate the ethics of neighbor love with the vocation of the chaplaincy the framework of just war theory the published values of the military services and sample issues such as the challenge of pluralism for the chaplaincy drone warfare interrogation practices and truth telling Special emphasis is placed on the reality of moral injury and the moral obligation of society and the churches to respond to the needs of these wounded warriors The book espouses the view that the Christian ethic more than a set of principles is a true ministry to those who struggle to be faithful and fear that they have not been **The Mirror of Eternity** Garrett Boatman, 2024-03-12 In the Desert of Dudaël the demon Azazel is freed from the pit where he has dwelled for millennia On the frozen world of Abyss fallen angels banished from earth in the time of Enoch prepare for their return But the world is vanishing Soon there will be battleground for neither man nor demon Rick Scott has sworn off magic but when he receives a summons from his former mentor he must travel the ravaged wasteland of time and gaze into the mirror of eternity before the world plunges into the white hot singularity of creation But there are creatures that dwell within time s labyrinth who would sate their unspeakable hunger on the unwary traveler
