Gay and Catholic Eve Tushnet,2014-10-20 Winner of a 2015 Catholic Press Award Gender Issues Category First Place In this first book from an openly lesbian and celibate Catholic widely published writer and blogger Eve Tushnet recounts her spiritual and intellectual journey from liberal atheism to faithful Catholicism and shows how gay Catholics can love and be loved while adhering to Church teaching Eve Tushnet was among the unlikeliest of converts The only child of two atheist academics Tushnet was a typical Yale undergraduate until the day she went out to poke fun at a gathering of philosophical debaters who happened also to be Catholic Instead of enjoying mocking what she termed the zoo animals she

found herself engaged in intellectual conversation with them and in a move that surprised even her she soon converted to Catholicism Already self identifying as a lesbian Tushnet searched for a third way in the seeming two option system available to gay Catholics reject Church teaching on homosexuality or reject the truth of your sexuality Gay and Catholic Accepting My Sexuality Finding Community Living My Faith is the fruit of Tushnet s searching what she learned in studying Christian history and theology and her articulation of how gay Catholics can pour their love and need for connection into friendships community service and artistic creation

Catholic Church Saved My Marriage Dr. David Anders, 2018-06-14 The Catholic Church saved my marriage and quite possibly my life So begins David Anders in this remarkably forthright book In it David reports that by the early 2000s his marriage was so painful he actually longed for death It wasn t simple incompatibility he and his wife had just one thing in common contempt for each other Today David and his wife are happy together not because of marriage therapy but because they came to know and fully embraced the Catholic Church s teachings on marriage Many people who encounter such teachings are shocked by their rigor Yet the Church offers much more than rules about sexual restraint she offers a way to make marriage into something supernatural even mystical Here Dr Anders shares his personal discovery of the Church s teaching on marriage and offers a robust defense of the Church s most controversial teachings including divorce remarriage gay marriage and contraception With the Church s teachings and the writings of the saints as his guide he also offers practical time tested ways to improve your marriage such as how to live in peace despite an unhappy marriage the value of suffering and ways to overcome your reluctance to forgive grave offenses In a culture that breaks apart marriages and undermines human dignity Dr David Anders offers a hope filled alternative for those who live moral and spiritual lives in union with Christ and His Church
