about 16 000 men and left it in 1973 when the number was about the same In between however our commitment had shot up to over thirty times that number The truth about the Tonkin Gulf incidents and how they precipitated our huge investment of treasure and blood is a story Jim Stockdale has protected for twenty years almost eight of them at great risk in a Communist prison Sybil and Jim tell their story in alternating chapters Jim recounting his experiences in prison during those years Sybil telling of her struggle to get the U S government to acknowledge the inhumane treatment of POWs in North Vietnam and to enforce the terms of the Geneva Convention all the while raising four sons on her own It will likely contain some surprises for American readers but nothing is revealed here that is not already known by the North Vietnamese government Prologue
