loved in the village of Santa Cecilia Italy Maddalena sees no need to open the door to the past and let the emotional baggage and unmended rifts of another life spill out But Prima was raised on the lore of the Old Country And as she sees her parents aging she hatches the idea to take the entire family back to Italy hoping to reunite Maddalena with her estranged sister and let her parents see their homeland one last time It is an idea that threatens to tear the Grasso family apart until fate deals them some unwelcome surprises and their trip home becomes a necessary journey All This Talk of Love is an incandescent novel about sacrifice and hope loss and love myth and memory

In Love with the World Yongey Mingyur Rinpoche, Helen Tworok, 2021-03-30 A rare intimate account of a world renowned Buddhist monk's near death experience and the life changing wisdom he gained from it One of the most inspiring books I have ever read Pema Chodron author of When Things Fall Apart This book has the potential to change the reader's life forever George Saunders author of Lincoln in the Bardo At thirty six years old Yongey Mingyur Rinpoche was a rising star within his generation of Tibetan masters and the respected abbot of three monasteries Then one night telling no one he slipped out of his monastery in India with the intention of spending the next four years on a wandering retreat following the ancient practice of holy mendicants His goal was to throw off his titles and roles in order to explore the deepest aspects of his being He immediately discovered that a lifetime of Buddhist education and practice had not prepared him to deal with dirty fellow travelers or the screeching of a railway car He found he was too attached to his identity as a monk to remove his robes right away or to sleep on the Varanasi station floor and instead paid for a bed in a cheap hostel But when he ran out of money he began his life as an itinerant beggar in earnest Soon he became deathly ill from food poisoning and his journey took a startling turn His meditation practice had prepared him to face death and now he had the opportunity to test the strength of his training In this powerful and unusually candid account of the inner life of a Buddhist master Yongey Mingyur Rinpoche offers us the invaluable lessons he learned from his near death experience By sharing with readers the meditation practices that sustain him he shows us how we can transform our fear of dying into joyful living Praise for In Love with the World Vivid compelling This book is a rarity in spiritual literature Reading the intimate story of this wise and devoted Buddhist monk directly infuses our own transformational journey with fresh meaning luminosity and life Tara Brach author of Radical Acceptance and True Refuge In Love with the World is a magnificent story moving and inspiring profound and utterly human It will certainly be a dharma classic Jack Kornfield author of A Path with Heart This book makes me think enlightenment is possible Russell Brand
