Love The Common Denominator My Journey To The Truth:

Love, the Common Denominator Paul Magdalene, 2009-08-01 My Lost Love recounted the calling and amazing experience of Craig and Suzzan Love The Common Denominator My Journey to the Truth is the second in the trilogy which continues with Craig and Suzzan being shown how God's message has become distorted by mankind's dogma doctrine and intellectualism The book is divided into three volumes which is described by Suzzan as her more than seven year labor of love gathering the pieces of a metaphorical Jigsaw Puzzle to reveal the Truth Volume I examines the debate between creation and evolution and the mysterious references to gods and demigods in antiquity Then following chronologically through the Old Testament the first volume demonstrates how humanity's concept of history just may be flawed before ending with the similarity of the world's teachers Volume II traces the origins of Christianity and its struggle through persecution to define who Jesus was Also it asks whether orthodoxy or Catholicism was the closest to Jesus teachings or were his earliest followers members of another sect In addition the second volume examines the rise of Islam and the revival of ancient mystical teachings Arriving in the Middle Ages this volume relates how dangerous fear and superstition is With the Renaissance it recounts how western humanity appeared to have emerged from the Dark Ages showing the promise of enlightened understanding The volume ends with discussing what actually did occur and hypothesizes over some of the causes involved Finally the third volume is concerned with uncovering the mysteries spoken of by both Jesus and Paul Relating that humanity's spiritual evolution is irrevocably linked to its physical evolution Volume III demonstrates that the Truth has been concealed in encoded numbers and symbology It also illustrates how the scriptures contain at least seven keys of interpretation The last volume shows that the world's religions all originate through a common thread known as the Wisdom Religion In the conclusion Suzzan's journey to the Truth ends with her compiling the metaphorical Jigsaw Puzzle and discovering the simple universal Truth that God wants us all to understand

McElmurray,2011-08-15 *Surrendered Child* is Karen Salyer McElmurray s raw poignant account of her journey from her teen years when she put her newborn child up for adoption to adulthood and a desperate search for the son she never knew In a patchwork narrative interwoven with dark memories from her childhood McElmurray deftly treads where few dare into a gritty honest exploration of the loss a birth mother experiences The year was 1973 a time of social upheaval even in small town Kentucky where McElmurray grew up More than a story of time and place however this is about a girl who at the age of sixteen relinquished her son at birth Twenty five years would pass before McElmurray began sharing this part of her past with others and actively looking for her son McElmurray s own troubled upbringing and her quest after a now fully grown son are the heart of her story With unflinching honesty McElmurray recounts both the painful surrendering and the surprise rediscovery of her son juxtaposed with her portrayal of her own mother who could not provide the love she needed The dramatic result is a story of birthright lost and found and an exploration of the meaning of motherhood itself **Farewell**
