Love Like Jesus: How Jesus Loved People (and how you can love like Jesus) Kurt Bennett,2020-02-11 Based on Kurt Bennett s popular ish blog God Running Love Like Jesus begins with the story of how after a life of regular church attendance and Bible study Bennett was challenged by a pastor to study Jesus That led to an obsessive seven year deep dive After pouring over Jesus every interaction with another human being he realized he was doing a much better job of studying Jesus words than he was following Jesus words and example The honest and fearless revelations of Bennett s own moral failures affirm he wrote this book for himself as much as for others Love Like Jesus examines a variety of stories examples and research including Specific examples of how Jesus communicated God s love to others How Jesus demonstrated all five of Gary Chapman s love languages and how you can too The story of how Billy Graham extended Christ s extraordinary love and grace toward a man who misrepresented Jesus to millions How to respond to critics the way Jesus did How to love unlovable people the way Jesus did How to survive a life of loving like Jesus or how not to become a Christian doormat How Jesus didn t love everyone the same and why you shouldn t either How Jesus guarded his heart by taking care of himself he even napped and why you should do the same How Jesus loved his betrayer Judas even to the very end With genuine unfiltered honesty Love Like Jesus shows you how to live a life according to God s definition of success A life of loving God well and loving the people around you well too A life of loving like Jesus

The contributors to this volume are titans of thought, hailing from various eras and backgrounds, united by their quest to explore the human condition. Figures like Saint Augustine, John Stuart Mill, and Friedrich Nietzsche bring contextual diversity, enriching the collection with perspectives anchored in their historical and cultural milieu. Together, they weave a narrative that transcends boundaries, each author unraveling a unique thread in this tapestry of wisdom. For readers seeking intellectual cultivation and spiritual enrichment, The Battles of Wisdom and Humility promises a journey through the thoughts of history's great thinkers.
