Love Alone Is Credible:

Love Alone is Credible Hans Urs von Balthasar, 2004 In this newly translated book von Balthasar delves deeper into this exploration of what love means what comprises the divine love of God and how we must become lovers of God in the footsteps of saints like Francis de Sales John of the Cross and Therese of Lisieux [Love Alone Is Credible](#) Hans Urs Von Balthasar, 2012-09-04 In Hans Urs von Balthasar's masterwork *The Glory of the Lord* the great theologian used the term theological aesthetic to describe what he believed to be the most accurate method of interpreting the concept of divine love as opposed to approaches founded on historical or scientific grounds In this newly translated book von Balthasar delves deeper into this exploration of what love means what makes the divine love of God and how we must become lovers of God in the footsteps of saints like Francis de Sales John of the Cross and Therese of Lisieux Based in the theological aesthetic form *Love Alone is Credible* brings a fresh perspective on an oft explored subject A deeply insightful and profound theological meditation that serves to both deepen and inform the faith of the believer **Love Alone** Hans Urs Von Balthasar, 1970-01-01 What differentiates Christianity from other religions Key to Christian self understanding is the recognition of the importance and glorification of divine love In this sketch Balthasar presents a theological aesthetic that covers both the study of perception and the self expression of divine glory Christian belief is thus reassessed through the lens which sees the glory of God's love [Dare We Hope - 2nd Edition](#) Hans Urs von Balthasar, 2014-11-20 This book is perhaps one of the most misunderstood works of Catholic theology of our time Critics contend that von Balthasar espouses universalism the idea that all men will certainly be saved Yet as von Balthasar insists damnation is a real possibility for anyone Indeed he explores the nature of damnation with sobering clarity At the same time he contends that a deep understanding of God's merciful love and human freedom and a careful reading of the Catholic tradition point to the possibility not the certainty that in the end all men will accept the salvation Christ won for all For this all embracing salvation von Balthasar says we may dare hope we must pray and with God's help we must work The Catholic Church's teaching on hell has been generally neglected by theologians with the notable exception of von Balthasar He grounds his reflections clearly in Sacred Scripture and Catholic teaching While the Church asserts that certain individuals are in heaven the saints she never declares a specific individual to be in hell In fact the Church hopes that in their final moments of life even the greatest sinners would have repented of their terrible sins and be saved Sacred Scripture states God desires all men to be saved and to come to the knowledge of the truth For there is one God and there is one mediator between God and man the man Christ Jesus who gave himself as a ransom for all 1 Tim 2:4-5 [Unless You Become Like this Child](#) Hans Urs von Balthasar, 1991 In one of the last books written before his death the great theologian provides a moving and profound meditation on the theme of spiritual childhood Somewhat startlingly von Balthasar puts forth his conviction that the central mystery of Christianity is our transformation from world wise self sufficient adults into abiding children of the Father of Jesus

by the grace of their Spirit Hans Urs Von Balthasar Angelo Scola,1995 This volume by Angelo Scola a longtime friend of Balthasar and a leading scholar of his work provides the most penetrating introduction to the vast writings of the great Catholic theologian available anywhere Scola beautifully captures Balthasar's theological style and offers a reading of Balthasar that passes through the most important phases of his writings theological philosophical and artistic Intended to serve as an examination of the form of Balthasar's philosophical and theological approach rather than as a detailed overview of his themes and theses this study will be an invaluable aid to students and scholars seeking to understanding the complex body of Balthasar's work FROM THE CRITICS Balthasar's thought is complex and Angelo Scola gives us a helpful guide New Oxford Review An invaluable introduction to the theological style which permeates Balthasar's writings A must for the serious student of Balthasar Scola's text represents an invaluable addition to college and university libraries Catholic Library World **The Moment of Christian Witness** Hans Urs Von Balthasar,2012-09-11 Balthasar puts his finger on the precise origin of all those elements in modern Christianity which see the real Jesus Christ as unknowable the Gospels as merely the confused reflections of later Christians and Christian tradition as a perpetuation of the mythology **Hans Urs von Balthasar** David Schindler,2011-03-29 This collection of essays gathered under the auspices of Communio editors represents the most wide ranging study of the life and work of Balthasar The twenty contributors include highly respected theologians philosophers and bishops from around the world such as Henri Cardinal de Lubac S J Walter Kasper Louis Dupre Joseph Cardinal Ratzinger now Pope Benedict XVI and Pope John Paul II meeting Balthasar was for me the beginning of a lifelong friendship I can only be thankful for Never again have I found anyone with such a comprehensive theological and humanistic education as Balthasar and de Lubac and I cannot even begin to say how much I owe to my encounter with them Joseph Ratzinger Pope Benedict XVI **New Elucidations** Hans Urs Von Balthasar,2012-09-13 Balthasar provides illumination on the burning issues of our day He brings his scholarship to bear on some of the major topics of our time Women Priests Humanae Vitae the Laity and the Flight into Community and much more **Love Alone Is Credible** David L. Schindler,2008-07-02 In this volume David L Schindler presents readers with a collection of essays garnered from the 2005 conference marking the centenary of Hans Urs von Balthasar's birth That conference hosted an international gathering of scholars among them students colleagues friends and critics of Balthasar all making an effort to engage the fundamental questions of faith and reason in light of his influential contribution to Catholic theology A wide range of topics is explored in light of the Christian mystery including metaphysics and causality the nature of rationality the relationship between God and the world and the meaning of the body Featuring an impressive list of contributors Love Alone Is Credible is a tribute to the profound relevance of Balthasar's thought Heart of the World Hans Urs von Balthasar,1979 A meditation on Christ's love for his Bride the Church **Elucidations** Hans Urs von Balthasar,2014 Among the topics that von Balthasar addresses are the mystery of God the role of the saints and the Marian principle the nature of Tradition and Authority the Pope the

Priesthood the nature of religious life unity among believers the subject of why remain in the Church and more Each of the twenty five chapters focuses on a particular topic and together they bear witness to an underlying comprehensive vision on essential spiritual questions for modern believers *The Glory of the Lord* Hans Urs Von Balthasar,2013-06-05 In this fourth volume of his magnum opus von Balthasar considers the metaphysical tradition of the contemplation of Being He provides major studies of Homer the Greek Tragedians Plato and Plotinus and the development of this tradition in the Middle Ages He then explores the analogy between the metaphysical vision of the Being and the Christian vision of the divine glory of the Trinity The book is a remarkable attempt to rediscover the ancient vision of Being in all its awesomeness as the context within which the specifically Christian vision rooted in God's gracious self revelation took form and was expressed My Work Hans Urs Von Balthasar,2012-09-10 Hans Urs von Balthasar made detailed statements about his work on five occasions mostly on the birthdays that marked the end of a decade of his life as a young author in his desire to lift out of the jumble of history the four or five figures which represent for me the constellation of my idea and my mission as publisher and writer out of concern for the reader and in order to equip this reader with a guide to his own books Then in the midst of the transformations connected with the Council he wrote an Account for himself and his readers about what had been done and what was still required Finally in a kind of pause as one already looking toward the close of his life he gave once again an account of what had been achieved and what could no longer be achieved in a clear shift of emphasis away from his authorship in favor of the pastoral work in the communities which he had founded This present volume is a helpful guide to his many sided work **Cosmic Liturgy** Hans Urs von Balthasar,2003-01-01 This book presents a powerful attractive religiously compelling portrait of the thought of a major Christian theologian who might for this book have remained only an obscure name in the handbooks of patrology It is based on an intelligent and careful reading of Maximus's own writings Here the history of theology has become itself a way of theological reflection *A Theology of History* Hans Urs Von Balthasar,2017-01-12 Man has long wrestled with the problem of finding meaning in history It is not surprising that as a Christian Hans Urs von Balthasar finds the meaning of history in Christ its center and Lord What may surprise and stimulate us is the theological mastery with which von Balthasar traces the effects of Christ's lordship upon the daily life of the Christian In this book we have one of the indispensable sources for understanding Balthasar's Catholic Christocentrism Here we find elaboration of the striking statement that Jesus Christ is the Idea made concrete personal historical universale concretum et personale which means that Christ is the universally valid in the here and now Characteristic of von Balthasar the book inspires spiritually as much as it informs theologically Von Balthasar follows Saint Irenaeus in viewing theology through the drama of history and presents Jesus Christ as the norm by which all history secular history as well as salvation history ought to be interpreted As God Jesus is the universal norm for all humanity who stands outside of history as man he became particular within history By seeking to become one with him our own history becomes meaningful purposeful and

Engagement with God Hans Urs von Balthasar, 2008 Foreword by Dr Margaret Turek The brilliant theologian and philosopher Hans Urs von Balthasar writes about God's involvement with man and man's involvement with God in the Old and the New Testaments He shows how that interaction of the divine with the human reveals the meaning of true freedom that man is always hungering for but often strives after in wrong and dangerous ways He shows that God's free revelation of himself in Christ is an invitation to enter into the realm of absolute and divine freedom in which alone human freedom can be fully realized From the true Christian there radiates the kind of freedom that is constantly being sought after by the non Christian In modern times the freedom of man is a theme that preoccupies everyone Atheistic philosophies are wholly taken up with this preoccupation The Enlightenment was concerned with the freeing of reason from the fetters of faith Marx wrote about freeing man economically and Freud wrote of freeing man from the bondage of a past as yet unmastered As opposed to those whose search for freedom urges them onward into a barren void the Christian stands as the messenger of freedom accomplished and a freedom attainable by all A true freedom of the sons and daughters of God Just as Love Alone Is Credible captures the essence of the seven volume The Glory of the Lord so does Engagement with God explain his five volume Theo Drama But here he does more by setting his account of the drama of Christian discipleship against the anti Christian ideologies of the 1960s he brings his theology to bear on the highest cost of discipleship martyrdom by seeing the martyr as the mirror of God's own involvement in the human race through his own martyred Son One can hardly read a more sober and yet exhilarating account of what it means to live committed to God's own commitment to the world Edward T Oakes S J Author Pattern of Redemption The Theology of Hans Urs Von Balthasar
