

A low-angle shot of two hands, one on the left and one on the right, reaching out towards each other. The hands are positioned as if they are about to clasp or are in the process of reaching. The background is a bright blue sky filled with soft, white clouds. The lighting is natural, suggesting daylight.

Charity and love  
are the same—  
with charity  
you give love,  
so don't just  
give money  
but reach out  
your hand  
instead.

**Love and Charity** Dennis James Woods, 2018-08-24      **Questions on Love and Charity** Thomas Aquinas, 2016-04-26 A fresh translation of quaestiones from the Summa theologiae of Thomas Aquinas edited by Robert Miner This volume provides direct access to the medieval theologian's deepest thinking about the supreme goal of human life blessedness and the virtue most intimately related to this goal charity The edition also contains Aquinas's treatment of charity's effects love joy peace and mercy and the vices opposed to them such as hatred envy and war Featuring five supplementary essays by noted Aquinas scholars the volume will enable readers to engage more thoroughly with the thought of Thomas Aquinas Publisher      **The Priority of Love** Timothy P. Jackson, 2021-06-08 This book explores the relation between agape or Christian charity and social justice Timothy Jackson defines agape as the central virtue in Christian ethical thought and action and applies his insights to three concrete issues political violence forgiveness and abortion Taking his primary cue from the New Testament while drawing extensively from contemporary theology and philosophy Jackson identifies three features of Christian charity unconditional commitment to the good of others equal regard for others well being and passionate service open to self sacrifice for the sake of others Charity prescribed by Jesus for his disciples and named by Saint Paul as the greatest theological virtue is contrasted with various accounts of justice Jackson argues that agape is not trumped by justice or other goods Rather agape precedes justice without the work of love society would not produce persons capable of merit demerit and contract the elements of most modern conceptions of justice Jackson then considers the implications of his ideas for several questions the nature of God the relation between Christian love and political violence the place of forgiveness and the morality of abortion Arguing that agapic love is to be construed as a gift of grace as well as a divine commandment Jackson concludes that love is the eternal life that makes temporal existence possible and thus the first Christian virtue Though foremost a contribution to Christian ethics Jackson's arguments and the issues he takes up will find a broader readership

*Charity* Gary A. Anderson,2013-08-27 It has long been acknowledged that Jews and Christians distinguished themselves through charity to the poor Though ancient Greeks and Romans were also generous they funded theaters and baths rather than poorhouses and orphanages How might we explain this difference In this significant reappraisal of charity in the biblical tradition Gary Anderson argues that the poor constituted the privileged place where Jews and Christians met God Though concerns for social justice were not unknown to early Jews and Christians the poor achieved the importance they did primarily because they were thought to be living altars a place to make a sacrifice a loan to God that he as the ultimate guarantor could be trusted to repay in turn Contrary to the assertions of Reformation and modern critiques belief in a heavenly treasury was not just about self interest Sifting through biblical and postbiblical texts Anderson

shows how charity affirms the goodness of the created order the world was created through charity and therefore rewards it
