Simple Money, Rich Life Bob Lotich, 2022-04-26 INSTITUTE FOR CHRISTIAN FINANCIAL HEALTH BOOK OF THE YEAR A hope filled money guide to increase savings earnings and giving and actually enjoy it all while designing a life of freedom and eternal impact from the founder of SeedTime Money Broken down and stranded 1 000 miles from home with only 7 left in his bank account Bob Lotich had reached his breaking point He was stuck

in a dead end job living paycheck to paycheck and overwhelmed by debt Bob had been following the world's advice with money and this was the fruit of it In desperation he cried out to God for wisdom for a different way The answer was a simple four part formula one based on timeless biblical principles and most important it worked After applying this simple formula Bob discovered that his financial stress melted away and he finally felt fully in control of his money As he continued to follow the four steps he paid off over 400 000 in debt reached a personal goal of giving 1 million by age 40 and achieved a level of financial freedom he never dreamed possible In his casual and approachable style Bob along with his fun loving wife Linda shares everything he learned about achieving true financial freedom including How to create a money system so you can spend less time and get better results The One Category Budget get 80% of the results with 20% of the work The four keys to earning more in the digital era How to automate your way to financial success in less than 10 minutes The secrets of a six figure giver Three credit card rules that banks don't want you to know How to save 100s each month while still buying what you love And much more Whether you are doing fine or are in a financial crisis the included 21 day kick start will leave you with specific action items to guide you to success You can have financial security peace significance and eternal impact Let Bob show you how to reimagine money as it was meant to be simple *Financial Freedom* Grant Sabatier, 2020-04-07 The International Bestseller New York Public Library's Top 10 Think Thrifty Reads of 2023 This book blew my mind More importantly it made financial independence seem achievable I read Financial Freedom three times cover to cover Lifehacker Money is unlimited Time is not Become financially independent as fast as possible In 2010 24 year old Grant Sabatier woke up to find he had 2 26 in his bank account Five years later he had a net worth of over 1 25 million and CNBC began calling him the Millennial Millionaire By age 30 he had reached financial independence Along the way he uncovered that most of the accepted wisdom about money work and retirement is either incorrect incomplete or so old school it's obsolete Financial Freedom is a step by step path to make more money in less time so you have more time for the things you love It challenges the accepted narrative of spending decades working a traditional 9 to 5 job pinching pennies and finally earning the right to retirement at age 65 and instead offers readers an alternative forget everything you've ever learned about money so that you can actually live the life you want Sabatier offers surprising counter intuitive advice on topics such as how to Create profitable side hustles that you can turn into passive income streams or full time businesses Save money without giving up what makes you happy Negotiate more out of your employer than you thought possible Travel the world for less Live for free or better yet make money on your living situation Create a simple money making portfolio that only needs minor adjustments Think creatively there are so many ways to make money but we don't see them But most importantly Sabatier highlights that while one's ability to make money is limitless one's time is not There's also a limit to how much you can save but not to how much money you can make No one should spend precious years working at a job they dislike or worrying about how to make ends meet Perhaps the biggest surprise You need less money to retire at age 30 than you do at age 65 Financial Freedom is

not merely a laundry list of advice to follow to get rich quick it s a practical roadmap to living life on one s own terms as soon as possible
