Love and Other Wild Things Molly Harper,2019-03-20 This hot hilarious stand alone will keep you wildly entertained Welcome to Mystic Bayou a tiny town hidden in the swamp where shape shifters vampires witches and dragons live alongside humans The town formed around the mysterious energy rift in

the bayou which helps keep the town's magic in balance. But lately the rift has been widening and destabilizing, threatening to send the town's magical population into chaos. Energy witch Danica Teel has been sent by the League to figure out what's going on, with the help of bear shifter Mayor Zed. While working on the case, Zed falls head over paws for Dani, but she's reluctant to engage in anything beyond a roll in his cave. Dani's family is counting on her to get the job done, and she has no time for distractions. But when an ominous presence begins stalking Dani through the bayou, they'll need to band together to make it out alive. This book is based on the Audible Original audiobook. I highly recommend this book: sexy, flirty, hilarious in every scene, and has a sexy hero that you want to keep for your own and a heroine that can fight her own battles. I am hooked on the Mystic Bayou and the diverse characters that sweep you up. I can't wait for the next one. *Addicted To Romance*.
