Love And Sexuality:

Our Power to Love Ruth S. Taylor, Richard M. Hogan, 1999 **Eros, Love & Sexuality** John Pierrakos, 1997 Courtly Love, the Love of Courtliness, and the History of Sexuality James A. Schultz, 2006-08-15 One of the great achievements of the Middle Ages Europe's courtly culture gave the world the tournament the festival the knighting ceremony and also courtly love But courtly love has strangely been ignored by historians of sexuality With Courtly Love the Love of Courtliness and the History of Sexuality James Schultz corrects this oversight with careful analysis of key courtly texts of the medieval German literary tradition Courtly love Schultz finds was provoked not by the biological and intrinsic factors that play such a large role in our contemporary thinking about sexuality sex difference or desire but by extrinsic signs of class bodies that were visibly noble and behaviors that represented exemplary courtliness Individuals became subjects of courtly love only to the extent that their love took the shape of certain courtly roles such as singer lady or knight They hoped not only for physical union but also for the social distinction that comes from realizing these roles to perfection To an extraordinary extent courtly love represented the love of courtliness the eroticization of noble status and the courtly culture that celebrated noble power and refinement

Covenant of Love Richard Hogan, Richard M. Hogan, John M. LeVoir, 1992-01-01 Pope John Paul II has had a profound theological and personal impact on Catholics and non Catholics alike In the scholarly tradition of Saint Augustine and Saint Thomas he has found a new unity between faith and reason The study of God says John Paul is also the study of humanity He has come to vigorously insist on the rights and dignity of each human person and on the divine importance of the family John Paul teaches that the keystone of Christian living today is the communion of persons which is the family Covenant of Love conveys this central message of his pontificate It explores the influence of Christ on the modern family human intimacy and sexuality and illustrates the Pope's response to the violations of that familial communion materialism sterilization pre marital sex abortion polygamy adultery and lust contraception and artificial conception and homosexuality Written for the layman as well as for clerics students and educators this volume will enhance the understanding and appreciation of Pope John Paul II's teachings Covenant of Love presents the extraordinary new way that John Paul II is using to present a new synthesis of the faith that can be the means of renewing the faith of all Christians and of bringing more people to Christ It sets out his philosophical and theological design for every Christian who seeks a closer relationship with God in the person of Christ in the Church and in the human heart

The Making of Romantic Love William M. Reddy, 2012-07-09 In the twelfth century the Catholic Church attempted a thoroughgoing reform of marriage and sexual behavior aimed at eradicating sexual desire from Christian lives Seeking a refuge from the very serious condemnations of the Church and relying on a courtly culture that was already preoccupied with honor and secrecy European poets romance writers and lovers devised a vision of love as something quite different from desire Romantic love was thus born as a movement of covert resistance In The Making of Romantic Love Longing and Sexuality in Europe South Asia and Japan

William M Reddy illuminates the birth of a cultural movement that managed to regulate selfish desire and render it innocent or innocent enough Reddy strikes out from this historical moment on an international exploration of love contrasting the medieval development of romantic love in Europe with contemporaneous eastern traditions in Bengal and Orissa and in Heian Japan from 900 1200 CE where one finds no trace of an opposition between love and desire In this comparative framework Reddy tells an appealing tale about the rise and fall of various practices of longing underscoring the uniqueness of the European concept of sexual desire In Pursuit of Love Vincent J. Genovesi,2003 **Making Love Just** Marvin M. Ellison,2012 These days sexual sin is far less about sex and far more about the misuse of power and exploitation of vulnerability It s time to redraw the ethical map But how should a contemporary Christian ethic of sexuality be formulated Marvin Ellison a pioneer in contemporary Christian rethinking of sexuality and sexual ethics uses a series of provocative questions to increase readers skills and confidence for engaging in ethical deliberation about sexuality Students and all adults will welcome this book for enabling their personal clarity approach to relationships and mindful participation in respectful moral debate Publisher description **Love the Sin** Janet Jakobsen,Ann Pellegrini,2004-04-15 In this powerful and timely book Janet R Jakobsen and Ann Pellegrini make a solid case for loving the sinner and the sin Rejecting both religious conservatives arguments for sexual regulation and liberal views that advocate tolerance the authors argue for and realistically envision true sexual and religious freedom in this country With a new preface addressing recent events Love the Sin provides activists and others with a strong tool to use in their fight for freedom Sexual Fluidity Lisa M. Diamond,2008-02-28 Is love blind when it comes to gender For women it just might be This unsettling and original book offers a radical new understanding of the context dependent nature of female sexuality Lisa M Diamond argues that for some women love and desire are not rigidly heterosexual or homosexual but fluid changing as women move through the stages of life various social groups and most important different love relationships This perspective clashes with traditional views of sexual orientation as a stable and fixed trait But that view is based on research conducted almost entirely on men Diamond is the first to study a large group of women over time She has tracked one hundred women for more than ten years as they have emerged from adolescence into adulthood She summarizes their experiences and reviews research ranging from the psychology of love to the biology of sex differences Sexual Fluidity offers moving first person accounts of women falling in and out of love with men or women at different times in their lives For some gender becomes irrelevant I fall in love with the person not the gender say some respondents Sexual Fluidity offers a new understanding of women s sexuality and of the central importance of love Sexual Love and Western Morality D P Verene,Donald Phillip Verene,1976 **Love, Sexuality, and Matriarchy** Erich Fromm,2024-02-27 A fascinating collection of essays on the complicated relations between men and women from the New York Times bestselling author of The Art of Loving The New York Times Book Review The renowned social psychologist delves deep into the fraught relationship between genders drawing upon the influential insights

of Bachofen Freud Marx and Briffault Not primarily interested in the existence of anatomical and biological differences between the sexes Fromm instead analyzes how these differences have been made use of throughout human history Drawing from Bachofen's *Mother Right* Fromm expounds on how matriarchal and patriarchal social structures determine relations between the sexes in essential ways and how they are shaped by the dominant orientation of the social character at any given time He posits that the most important question concerning gender relations is which characterological orientation determines human relationships love or hate love of life or fascination with force Thus it will not be gender conflict that will determine humanity's future but whether we opt for love of life or love of death As these essays show Fromm was a wide ranging thinker whose writings sometimes manifested brilliant insights or practical wisdom Kirkus Reviews *The Expense of Spirit* Mary Beth Rose, 2018-03-15 A public and highly popular literary form English Renaissance drama affords a uniquely valuable index of the process of cultural transformation *The Expense of Spirit* integrates feminist and historicist critical approaches to explore the dynamics of cultural conflict and change during a crucial period in the formation of modern sexual values Comparing Elizabethan and Jacobean dramatic representations of love and sexuality with those in contemporary moral tracts and religious writings on women love and marriage Mary Beth Rose argues that such literature not only interpreted sexual sensibilities but also contributed to creating and transforming them Sexual Desire and Love Eric Fuchs, 1983 In a comprehensive ground breaking study of the Christian teaching about sexuality Eric Fuchs surveys the taboos of Judaea Christian morality He looks at the ethics of sexuality as they are presented in the Bible and by early theologians medieval scholastics reformers and counter reformers and present day thinkers Through it all he is concerned to answer the question By what mysterious alchemy did the liberating Gospel of Christ who unconditionally accepted wounded humanity become transformed into moral requirements that were so guilt forming Fuch's exhaustive study leads him to develop his own theological interpretation of sexuality its liberating aspects in the fulfilment of human life the completion of personality and the expression of humanity's highest ideals *Love Thy Body* Nancy R. Pearcey, 2018-01-02 Why the call to Love Thy Body To counter a pervasive hostility toward the body and biology that drives today's headline stories Transgenderism Activists detach gender from biology Kids down to kindergarten are being taught their body is irrelevant to their authentic self Is this affirming or does it demean the body Homosexuality Advocates disconnect sexuality from biological identity as male or female Is this liberating or does it denigrate biology Abortion Supporters say the fetus is not a person though it is biologically human Does this mean equality for women or does it threaten the intrinsic value of all humans Euthanasia Those who lack certain cognitive abilities are said to be human but not persons Is this compassionate or does it ultimately put everyone at risk In *Love Thy Body* bestselling author Nancy Pearcey goes beyond politically correct slogans with a riveting exposé of the dehumanizing worldview that shapes current watershed moral issues arguing that a holistic Christian view sustains the dignity of the body and biology Throughout the book Pearcey entrances readers with compassionate stories of people

wrestling with hard questions in their own lives their pain their struggles their triumphs *Making Love* Barry Long,1998 Is your love life heaven or hell Where is God in the act of love Divine love is not an elusive dream With this program of tantric teaching you can practice freedom from sexual unhappiness and obtain mutual joy in sexual union Barry Long s western tantra is a step by step revelation to woman of what she knows love to be but so rarely and fleetingly embodies It is a reeducation of male sexuality to make man more worthy of woman s love Dealing frankly with common sexual problems the author offers a practical down to earth guide to the transcendent mystery of sexual union *Purposeful Sexuality* Ed Shaw,2021-01-21 If God means for us to save sex for marriage why doesn t he just zap us with sexuality on our wedding night Why do most of us experience sexual feelings throughout our adult lives not just in the safe confines of marriage Is limiting marriage to the union of a man and a woman anything but outdated prejudice What is our sexuality actually for Today s culture overwhelmingly tells us that sex is essential for human flourishing Far too often the church perpetuates the same message as long as you are married But far from being liberating this idolising of sex leaves us even more sexually broken than before With refreshing honesty and clarity Ed Shaw calls on the church to rediscover its confidence in the Bible s teaching about our ability to experience or express sexual feelings He points us to how God s word reveals that sexuality s ultimate purpose is to help us better know God and the full power of his passionate love He shows us how this is surprisingly good news for all our joys and struggles with sexuality *Rethinking Sexuality* Dr. Juli Slattery,2018-07-24 This ground breaking resource challenges and equips Christians to think and act biblically and compassionately in matters of sexuality Sexual abuse sex addiction gender confusion brokenness and shame plague today s world and people are seeking clarity and hope By contesting long held cultural paradigms this book equips you to see how sexuality is rooted in the broader context of God s heart and His work for us on earth It provides a framework from which to understand the big picture of sexual challenges and wholeness and helps you recognize that every sexual question is ultimately a spiritual one It shifts the paradigm from combating sexual problems to confidently proclaiming and modeling the road to sacred sexuality Instead of arguing with the world about what s right and wrong about sexual choices this practical resource equips you to share the love and grace of Jesus as you encounter the pain of sexual brokenness your own or someone else s **Sexual Landscapes** James D. Weinrich,1987 *Love and Sexuality* Omraam Mikhaël Aïvanhov,1992 *Love and Sexuality in Social Theory* Emiliano Bevilacqua,Mariano Longo,Michael Hviid Jacobsen,2024-11-27 *Love and Sexuality in Social Theory* considers the role that love and sexuality play in private and public life Drawing on both classical and contemporary social theory this book presents both theoretical and empirical studies of love and sexuality as social factors from the earliest reconstructions of modern emotional life to the most recent analyses of liquid love With attention to the consequences that passions and desires have both on morals and behaviour it departs from the analysis of society in terms of the division of labour and utilitarian mechanisms to consider how a society based on performances values human energy and emotional behaviour in a

contradictory way This book therefore presents and discusses classic authors from Georg Simmel and Pitirim Sorokin to Marianne Weber and Simone De Beauvoir through the work of Erving Goffman and ending with contemporary authors such as Michel Foucault Anthony Giddens Zygmunt Bauman Ulrich Beck and Eva Illouz By presenting love as the social foundation of altruism an essential element in modern conceptions of subjectivity and a force shaping intimacy and contemporary social life this book will appeal to scholars of sociology particularly those interested in social theory and the sociology of emotions
