Hungry Women Nina Mozee, 2011-05-10 He was coming towards me my eyes were big as two oreo cookie and my heart was beating like twelve drums out of Africa **Scrolls of Sorrow: A Collection of Macabre Poetry** Anthony Alicea, *Love Charade* Janet Beaton, 1982-01-01 **Charades** Janette Turner Hospital, 2015-09-23 This vibrant superbly crafted novel explores the elusive boundaries between existence and imagination memory and truth From the subtropical lushness of Queensland's Tamborine rainforest to the claustrophobic bedroom of a Boston physicist Hospital's characters breathe an atmosphere of passion and suspense Charade Ryan an enigmatic story spinning Scheherazade searches for a way to unravel the long hold secrets of her family origins **Poeternitry** Karen Davies, 2002-05-13 Poeternitry is a comet's ride through the human mind to the spiritual world beyond You'll be taken on a journey through love and darkness to the shores of faith and fantasy This collection of poems by Karen Davies shows her ability to write across a wide range of subjects from the Gates of Heaven to the darkest parts of the human mind Her ability to write multiple forms such as the simple and thought provoking haiku to the rhythmic flow of the Shakespearean Sonnet She'll take you on a muse's journey through imagination to all that is eternal **Little Horrors** T.S. Kord, 2016-07-25 Zombies werewolves and chainsaw wielding maniacs are tried and true staples of horror films But none can match the visceral dread evoked by a child with an innocent face and a diabolical stare

Cinema's evil children attack our cherished ideas of innocence and our innocent bystander status as the audience. A good horror film is a scary ride; a devil child movie is a guilt trip. This book examines 24 international films with discussions of another 100 that in effect indict viewers for crimes of child abuse and abandonment, greed, social and ecological negligence, and political and war crimes, and for persistent denial of responsibility for them all. For 75 years, evil children have ritually rebuked audiences and in playing on our guilt established a horror subgenre that might be described as a blood-spattered rampage on an ethical mission. The American Catalog, 1880. The Girl I Left Behind, Shūsaku Endō, 1995. A man who caused a girl to fall in love with him by playing up his deformity then seduced and abandoned her is haunted by her memory. A study of the workings of conscience. By a Japanese Catholic writer, author of *Silence*. **100% Love**, Rittik Chandra, 2014-02-06. Novelist Rittik Chandra's *100% Love* is a novel about youthful hubris and the perils of misconstrued romance. Kristen, the protagonist of the story, is a beautiful, high-spirited, intelligent, and slightly spoiled young woman of the age of twenty. Although intelligent, she lacks the necessary discipline to practice or study anything in depth. While she is in many ways mature for her age, Kristen makes some serious mistakes, mainly due to her conviction that she is always right and her lack of real-world experience. Although she has vowed she will never ever marry, she delights in making matches for others. She seems unable to fall in love until she realises at the end that she has loved Mr. Einstein all along. **More**

The KARMIC CHARADE, Adrian Gabriel Dumitru. Ugly events are always karmic and simple represent life lessons, unfortunately too difficult to be digested. I had times in my life when all was collapsing around myself. All I could not believe it, I was living a non-ending nightmare. I was waking up and the first thing I was doing was to ask myself what the hell is going to happen to me again. Bottomline, it was horrible. And I could not stand it anymore. But unfortunately, I could not stop those ugly energetic waves around myself. I was meditating, asking myself why I was even praying, saying, "God, stop it. Please, I beg you." I felt annoyed, frustrated, and even cursed, but I could not see any way out of this. I was in fact trapped into a storm of ugly energies which were ruining my soul. On and on and on. So I've started to feel that I hate God for what was doing to me, but I could not accept that all was actually a karmic storm having the purpose to remind me of all the stupid things I've done in my past. Today I see a friend of mine living such a scenario. He's actually not a real friend, but we have a good connection. I see him living a similar scenario with what happened to me. His businesses are collapsing. He has huge legal problems. He even lives with the impression that he is under the observation of the secret services. All his life, it's a nightmare. But I also know his past and all the stupid things he had been doing, which in fact are very similar with the mistakes I've done. Today he's annoyed, frustrated, and feels cursed. Same as I've felt. He cannot handle anymore. And I also see in him a very weird thing I was thinking too in my tough times. He believes he was a good actor on

the stage of life and even a positive character Seeing all like a total nonsense instead of understanding deeper his past i believe that speaking with the Universe he asks Why are you doing this to me God Why Why this charade But all it s actually a karmic charade A flux of extremely powerful energies looking like ugly events having the only purpose to destroy him I look at him and i smile I continue listening to him and i laugh And you might say that i am a bad person laughing of my friend Or that i am even evil But i am laughing not of him but of me Today i see in his story my own story and the way i was playing into those times I somehow start to understand the meaning of a karmic storm And i also understand their whole meaning Yes those powerful ugly energies destroy us but not the soul as we might believe No All it s actually destroying that ugly character i was interpreting and my friend was interpreting And we hated the Universe for that defining the karmic storm as a curse But it was a blessing So i continue laughing of my friend laughing in fact of how idiot i could be Cause i really thought the Infinite Intelligence lost its compass but us the humans were in fact doing that consciously and unconsciously by such a long long time
