## Love Child Revised:

**Books Children Love (Revised Edition)** Elizabeth Laraway Wilson, 2002-10-30 A love for reading is one of the most precious gifts that we can give children. It nurtures their imagination and creativity, lets them explore other worlds and opens their minds to new truths and knowledge in appealing, inspiring ways. But how can we sort through thousands of children's books to discover the really worthwhile ones? Elizabeth Wilson offers us a newly revised, comprehensive guide to the very best in children's literature. Just as in the original volume, she comments on the tone and content of excellently written, captivating books in over two dozen subject areas. Hundreds of new titles have been added while retaining timeless classics and modern favorites, all of which respect traditional values. So that no matter what the children's ages are or whether they love fact or fiction, you can trust these books to share things that you can believe in and kids will delight in. **Liking the Child You Love** Jeffrey Bernstein, 2009-06-09 How to recognize and cope with Parent Frustration Syndrome (PFS), negative thoughts and feelings about your children. The 5 Love Languages of Children Gary Chapman, Ross Campbell, 2012-02-01 Does your child speak a different language? Sometimes they waver for your attention and other times they ignore you completely. Sometimes they are filled with gratitude and affection and other times they seem totally indifferent. Attitude, Behavior, Development. Everything depends on the love relationship between you and your child. When children feel loved, they do their best. But how can you make sure your child feels loved? Since 1992, Dr. Gary Chapman's best-selling book, *The 5 Love Languages*, has helped millions of couples develop stronger, more fulfilling relationships by teaching them to speak each other's love language. Each child too expresses and receives love through one of five different communication styles. And your love language may be totally different from that of your child. While you are doing all you can to show your child love, he may be hearing it as something completely opposite. Discover your child's primary language and learn what you can do to effectively convey unconditional feelings of respect, affection, and commitment that will resonate in your child's emotions and behavior.
