Love Commands In The New Testament:

Holy Bible (NIV) Various Authors,2008-09-02 The NIV is the world's best selling modern translation with over 150 million copies in print since its first full publication in 1978 This highly accurate and smooth reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation **Spectacular Sins** John Piper,2008-09-12 John Piper delivers powerful biblical reassurances to bolster readers trust in the sovereignty of God and the supremacy of Christ when evil and tragedy come If God governs the sinful acts of men then does the devastation caused by those terrorists dictators murderers cheats and abusers discredit Jesus words All authority in heaven and earth belongs to me When heart rending news comes of the latest accident illness or natural disaster can we really believe that in Jesus all things hold together Though God has not answered all of our questions about sin and suffering there are things he wants us to know things he declares in his Word such as what's at stake in the spectacular sins of others and the horrible tragedies of this life their global purpose both historically and today and what these events say to us personally As John Piper works through these biblical truths this book will bolster readers trust in the utter sovereignty of God such that they'll be less timid in their witness and less afraid of whatever may come It is also a joy infused declaration that because everything occurs through Christ and for Christ and his glory they are forever secure in him *What Jesus Demands from the World* John Piper,2011-01-11 Looks at the Gospels and examines what Christ requires of his followers in a redemptive historical context New and seasoned believers will see God's loving plan for their ultimate satisfaction **Irresistible** Andy Stanley,2018-09-18 A fresh look at the earliest Christian movement reveals what made the new faith so compelling and what we need to change today to make it so again Once upon a time there was a version of the Christian faith that was practically irresistible After all what could be more so than the gospel that Jesus ushered in Why then isn't it the same with Christianity today Author and pastor Andy Stanley is deeply concerned with the present day church and its future He believes that many of the solutions to our issues can be found by investigating our roots In *Irresistible* Andy chronicles what made the early Jesus Movement so compelling resilient and irresistible by answering these questions What did first century Christians know that we don't about God's Word about their lives about love What did they do that we're not doing What makes Christianity so resistible in today's culture What needs to change in order to repeat the growth our faith had at its beginning Many people who leave or disparage the faith cite reasons that have less to do with Jesus than with the conduct of his followers It's time to hit pause and consider the faith modeled by our first century brothers and sisters who had no official Bible no status and little chance of survival It's time to embrace the version of faith that initiated against all human odds a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world

Pluriform Love Thomas Jay Oord, 2022-02-25 A masterpiece from the preeminent theologian of love A strong case can be made that love is the core of Christian faith And yet Christians often fail to give love center stage in biblical studies and theology And most fail to explain what they mean by love Why is this Thomas Jay Oord explores this question and offers ground breaking answers Oord addresses leading Christian thinkers today and of yesteryear He explains biblical forms of love such as agape philia hesed and ahavah We should understand love's meaning as uniform he says but its expressions are pluriform Widely regarded as the world's foremost theologian of love Thomas Jay Oord tackles our biggest puzzles about the nature and meaning of love divine and creaturely His proposals are novel They align with love described in scripture and expressed in everyday experience Oord also provides radical and yet persuasive answers to questions about evil hell the Big Bang divine violence divine abandonment and more Pluriform Love changes the landscape of Christian love studies What they're saying Thomas Jay Oord is the first to systematically clarify a variety of types of love and show that all are characteristic of God This is an original contribution to theology Though a complex task Oord writes in an accessible and attractive way John B Cobb Jr Cobb Institute Author of Salvation Jesus's Mission and Ours Christian theology in the years to come will need a facelift a true restoration of the biblical witness to the centrality of God's love If we wish to help make the faith truly relatable to our world today Oord's clear compassionate and compelling voice is one we will be thankful for Peter Enns Eastern University and Co host of The Bible for Normal People Thomas Jay Oord adds to his proposals on open and relational theology developing a theology of love which is both uniform in meaning and pluriform according to situation and recipients The volume is indispensable for those researching the nature of love Paul Fiddes University of Oxford The glowing multiform forcefield of love embraces every sentence of Pluriform Love Free of sentimentality and pretense refusing to pit eros and agape against each other it unfolds a full scale theology This amorous vision will attract a wide readership Catherine Keller Drew University Author of Facing Apocalypse Thomas Oord is a global leader exploring the primacy of love within Christian thought and practice In this book he presents a theology of love in a loving way When he grapples with the Scriptures he shows an attitude of fairness His writing style combines scholarly depth with accessible simplicity In the end Oord makes a radical claim much of traditional Christian theology cannot take love as seriously as it must Love must revolutionize Christian theology and Oord explains how Brian D McLaren Author of Do I Stay Christian This is a rigorous provocative creative and

very readable account of the meaning of love especially divine love It s a very important contribution to theological thought on this central topic Keith Ward University of Oxford Love One Another Gerald Lawson Sittser,2008-09-19 Jesus commanded his disciples to love one another It s a simple command to understand but very difficult to obey And in the local church it sometimes seems impossible Many of us belong to highly diverse Christian communities where we encounter people radically different from ourselves At the same time controversies and difficulties often threaten to tear us apart So how can we achieve unity within the body of Christ Gerald Sittser examines the one another statements from the New Testament distilling much needed biblical wisdom to help us love one another Drawing on his own pastoral experience of the best and worst of church life he shows us what the love Jesus commanded actually requires of us and how to live it out in struggle and servanthood compromise and sacrifice This enjoyable book by a best selling author will guide us in putting one of the most important biblical principles into practice for the good of our local churches **Core Christianity** Michael Horton,2016 What Do All Christians Believe For many people words like doctrine and theology cause their eyes to glaze over or they find them difficult to understand and struggle to see how they are relevant to daily life But theology is far from boring it is the study of God and should lead to awe and wonder as we better understand who God is and what he has done for us In Core Christianity author pastor and theologian Mike Horton tackles the essential and basic beliefs that all Christians share What is core to the Christian faith In addition to unpacking these beliefs in a way that is easy to understand Horton shows why they matter to our lives today This introduction to the basic doctrines of Christianity is a helpful guide by a respected theologian and a popular author and it includes discussion questions for individual or group use Core Christianity is perfect for those who are new to the faith as well as those who have an interest in deepening in their understanding of what it means to be a follower of Jesus Christ Love Like Jesus: How Jesus Loved People (and how you can love like Jesus) Kurt Bennett,2020-02-11 Based on Kurt Bennett s popular ish blog God Running Love Like Jesus begins with the story of how after a life of regular church attendance and Bible study Bennett was challenged by a pastor to study Jesus That led to an obsessive seven year deep dive After pouring over Jesus every interaction with another human being he realized he was doing a much better job of studying Jesus words than he was following Jesus words and example The honest and fearless revelations of Bennett s own moral failures affirm he wrote this book for himself as much as for others Love Like Jesus examines a variety of stories examples and research including Specific examples of how Jesus communicated God s love to others How Jesus demonstrated all five of Gary Chapman s love languages and how you can too The story of how Billy Graham extended Christ s extraordinary love and grace toward a man who misrepresented Jesus to millions How to respond to critics the way Jesus did How to love unlovable people the way Jesus did How to survive a life of loving like Jesus or how not to become a Christian doormat How Jesus didn t love everyone the same and why you shouldn t either How Jesus guarded his heart by taking care of himself he even napped and why you should do the same How Jesus loved his betrayer
