and Gene shows us how Rev Donna Dearmore Unity Minister **Emissary of Love** James F. Twyman, 2002-02-02 Jimmy Twyman travels around the world singing his songs of peace and harmony to people of all races cultures and beliefs Inspired by the life of St Francis of Assisi he has been to every war torn country in the world often at great personal risk But this is the story of a different kind of journey One night while giving a talk in a private home in San Francisco Twyman met a ten year old boy When the boy touched Twyman s finger suddenly Twyman could bend spoons with the power of his mind could read thoughts and could transmit images to others Yet later no one who had been in the room could remember seeing the child The boy had said his name was Marco and that other special children like him could be found in a monastery in the mountains of Bulgaria Without knowing who or where they were or how he would find them Jimmy Twyman began an extraordinary journey to find Marco and the psychic children In the process he learned that the children had a message for all the world and learned too that he was the one to deliver that message This is that message *A Playful Path* Bernard De Koven, 2013-12-18 *A Playful Path* the new book by games guru and fun theorist Bernard De Koven serves as a collection of ideas and tools to help us bring our playfulness back into the open When we find ourselves forgetting the life of the game or the game of life the joy of form or the content the play of brain or mind body or spirit this book can help us return to that which our soul is heir **Paperbound Books in Print** , 1992 Guidance to the spiritual life.
