**Christopher A. Faraone**

## **Love In The Ancient World:**

**Love in the Ancient World** John Julius Norwich, 1999 Travel back in time in search of long lost attitudes on love lust and passion Beautifully illustrated in full color this fascinating exploration uncovers how ancient civilizations regarded sex and sexuality Exquisite photographs showcase sculpture pottery paintings and architecture that feature graphic representations of the human form and the art of love Seeing how romance was represented communicated and mythologized from the cave dwellers through the sophisticated Egyptians Greeks and Romans gives us new perspectives on history and on our lives today **Amber and the Ancient World** Faya Causey, 2011 Amber has fascinated mankind since the Palaeolithic era This book examines the myths and legends woven around amber its employment in magic and medicine its transport and carving and its incorporation into jewellery amulets and other objects of prestige Publisher's description

*Screening Love and Sex in the Ancient World* Monica S. Cyrino, 2013-01-30 This dynamic collection of essays by international film scholars and classicists addresses the provocative representation of sexuality in the ancient world on screen A critical reader on approaches used to examine sexuality in classical settings contributors use case studies from films and television series spanning from the 1920s to the present *Bisexuality in the Ancient World* Eva Cantarella, 1992-01-01 Bisexuality was intrinsic to the cultures of the ancient world In both Greece and Roman sexual relationships between men were acknowledged tolerated and widely celebrated in literature and art For the Greeks and Romans homosexuality was not an exclusive choice but alternative to and sometime simultaneous with the love of a woman The Joy of Sexus Vicki León, 2013-01-29 In her previous books Vicki León put readers in the sandals of now obsolete laborers ranging from funeral clowns to armpit pluckers and untangled the twisted threads of superstition and science in antiquity Now in this book of astonishing true tales of love and sex in long ago Greece Rome and other cultures around the Mediterranean she opens the doors to shadowy rooms and parts the curtains of decorum León goes far beyond what we think we know about sex in ancient times taking readers on a randy tour of aphrodisiacs and anti aphrodisiacs contraception nymphomania bisexuality cross dressing and gender bending She explains citizens fear of hermaphrodites investigates the stinging price paid for adultery despite the ease of divorce introduces readers to a surprising array of saucy pornographers and even describes the eco friendly dildos used by libidinous ancients Love also gets its due with true tales of the lifelong bonds between military men history's first cougar and her devoted relationship with Julius Caesar and the deification of lovers *The History of the Ancient World: From the Earliest Accounts to the Fall of Rome* Susan Wise Bauer, 2007-03-17 A lively and engaging narrative history showing the common threads in the cultures that gave birth to our own This is the first volume in a bold series that tells the stories of all peoples connecting historical events from Europe to the Middle East to the far coast of China while still giving weight to the characteristics of each country Susan Wise Bauer provides both sweeping scope and vivid attention to the individual lives that give flesh to abstract assertions about human history Dozens of maps provide a clear geography of

great events while timelines give the reader an ongoing sense of the passage of years and cultural interconnection This old fashioned narrative history employs the methods of history from beneath literature epic traditions private letters and accounts to connect kings and leaders with the lives of those they ruled The result is an engrossing tapestry of human behavior from which we may draw conclusions about the direction of world events and the causes behind them **Love, Sex & Tragedy** Simon Goldhill,2005 Simon Goldhill examines the most basic areas of our lives today from marriage and sex to politics and entertainment Whether we are falling in love or waging wars in the name of democracy he reveals how Classical ideas continue to shape our behaviour and our attitudes in crucial ways Full of surprising facts and startling stories it will appeal to anyone interested in history and its influence on our lives It is as wide ranging as it is readable with a brilliant cast of characters Few books could bring together Freud Plato Queen Victoria Romeo and Juliet George W Bush and Charles Atlas in this way Inspiring thought provoking and illuminating LOVE SEX TRAGEDY shows again and again how and why the Romans and Greeks still matter **Ancient World Magnified** David Long,2021-05-11 Travel through time grab your magnifying glass and seek out incredible facts about ancient history in this search and find adventure packed with over 200 things to spot Spanning continents and covering thousands of years this fun lively book shows how the people of these vanished civilisations lived and how their societies evolved Explore the lives of ancient Greek Gods meet fearsome gladiators from ancient Rome and uncover the mystery of the Aztecs Explore civilisations including Babylonia Carthage Qin Dynasty Maya Mongol Empire Kingdom of Zimbabwe and many more with a dedicated two page spread for each one brimming with hidden detail and bustling with action Use the free magnifying glass to spot more than 200 ancient world themed items in each eye boggling illustration From David Long the author behind Pirates Magnified Egypt Magnified and Castles Magnified this book will inform and entertain even the youngest historian for hours on end **Xenophon's Ephesiaca** Aldo Tagliabue,2017-10-31 After many decades of neglect the last forty years have seen a renewed scholarly appreciation of the literary value of the Greek novel Within this renaissance of interest four monographs have been published to date which focus on individual novels I refer to the specialist studies of Achilles Tatius by Morales and Laplace and those of Chariton of Aphrodisias by Smith and Tilg This book adds to this short list and takes as its singular focus Xenophon's Ephesiaca Among the five fully extant Greek novels the Ephesiaca occupies the position of being an anomaly since scholars have conventionally considered it to be either a poorly written text or an epitome of a more sophisticated lost original This monograph challenges this view by arguing that the author of the Ephesiaca is a competent writer in artistic control of his text insofar as his work has a coherent and emplotted focus on the protagonists progression in love and also includes references to earlier texts of the classical canon not least Homer's Odyssey and the Platonic dialogues on Love At the same time the Ephesiaca exhibits stylistically an overall simplicity contains many repetitions and engages with other texts via a thematic rather than a pointed type of intertextuality these and other features make this text different from the other extant Greek novels This book explains

this difference with the help of Cougnas view of paraliterature a term that refers not to its status as non literature but rather to literature of a different kind that is simple action oriented and entertaining By offering a definition of the Ephesiaca as a paraliterary narrative this monograph sheds new light on this novel and its position within the Greek novelistic corpus whilst also offering a more nuanced understanding of intertextuality and paraliterature **Ancient Greek Love Magic** Christopher A. Faraone, 2001-10-30 The ancient Greeks commonly resorted to magic spells to attract and keep lovers as numerous allusions in Greek literature and recently discovered voodoo dolls magical papyri gemstones and curse tablets attest Surveying and analyzing these various texts and artifacts Christopher Faraone reveals that gender is the crucial factor in understanding love spells There are he argues two distinct types of love magic the curselike charms used primarily by men to torture unwilling women with fiery and maddening passion until they surrender sexually and the binding spells and debilitating potions generally used by women to sedate angry or philandering husbands and make them more affectionate Faraone's lucid analysis of these spells also yields a number of insights about the construction of gender in antiquity for example the femininity of socially inferior males and the maleness of autonomous prostitutes Most significantly his findings challenge the widespread modern view that all Greek men considered women to be naturally lascivious Faraone reveals the existence of an alternate male understanding of the female as naturally moderate and chaste who uses love magic to pacify and control the naturally angry and passionate male This fascinating study of magical practices and their implications for perceptions of male and female sexuality offers an unusual look at ancient Greek religion and society **Love, Sex & Tragedy** Simon Goldhill, 2005 A noted classicist offers a survey of the Greek and Roman roots of everything from hard bodies to political systems tracing follies and philosophical questions through the centuries to the birthplace of Western civilization

**One Hundred Years of Homosexuality** David M Halperin, 2012-07-26 Halperin's subject is the erotics of male culture in ancient Greece Arguing that the modern concept of homosexuality is an inadequate tool for the interpretation of these features of sexual life in antiquity Halperin offers an alternative account that accords greater prominence to the indigenous terms in which sexual experiences were constituted in the ancient Mediterranean world Wittily and provocatively written Halperin's meticulously drawn windows onto ancient sexuality give us a new meaning to the concept of Greek love **Love in Ancient Greece** Robert Flacelière, 1960 **The Greeks and Greek Love** James N. Davidson, 2007 Though the issue of Greek homosexuality has been the subject of extensive research and debate in recent years Kenneth Dover's 1978 GREEK HOMOSEXUALITY remains the most recent single volume treatment of the subject as a whole Drawing on fifteen years of ensuing research James Davidson rejects Dover's excessively theoretical approach using a wide variety of sources unknown to him court cases romantic novels satirical plays and poems to present a view of the subject that in contrast to Dover and to Foucault stresses the humanity of the ancient Greeks and how they lived their loves and pleasures rather than their moral codes and the theorising of philosophers Homosexuality in Ancient Greece remains a central area of debate in the classics in

ancient history and lesbian and gay studies Greek civilisation centrally underpins our own providing a basis of so much of the west's culture and philosophy yet the Greeks were more tolerant of homosexuality than virtually any other culture certainly than the western civilisations that followed The extent to which Greek attitudes to sexuality and in particular their privileging of Greek Love were comparable and different to our own underlies the continuing debate over the formation of sexuality is it natural or cultural as well as both then and in our own time the much wider question of the roles of nature and nurture in the formation of human behaviour and personality

For the Love of Wine Alice Feiring, 2016-03 In 2011 when Alice Feiring first arrived in Georgia she felt as if she'd emerged from the magic wardrobe into a world filled with mythical characters making exotic and delicious wine with the low tech methods of centuries past She was smitten and she wasn't alone This country on the Black Sea has an unusual effect on people the most passionate rip off their clothes and drink wines out of horns while the cold hearted well up with tears and make emotional toasts Visiting winemakers fall under Georgia's spell and bring home qvevris clay fermentation vessels while rethinking their own techniques But as in any good fairy tale Feiring sensed that danger rode shotgun with the magic With acclaim and growing international interest come threats in the guise of new wine consultants aimed at making wines more commercial So Feiring fought back in the only way she knew how by celebrating Georgia and the men and women who make the wines she loves most those made naturally with organic viticulture minimal intervention and no additives From Tbilisi to Batumi Feiring meets winemakers bishops farmers artists and silk spinners She feasts toasts and collects recipes She encounters the thriving qvevri craftspeople of the countryside wild grape hunters and even Stalin's last winemaker while plumbing the depths of this tiny country's love for its wines For the Love of Wine is Feiring's emotional tale of a remarkable country and people who have survived religious wars and Soviet occupation yet managed always to keep hold of their precious wine traditions Embedded in the narrative is the hope that Georgia has the temerity to confront its latest threat modernization

**Cleopatra and Antony** Diana Preston, 2009-07-01 On a stiflingly hot day in August 30 B C the thirty nine year old Queen of Egypt Cleopatra took her own life rather than be paraded in chains through Rome by her conqueror Octavian the future emperor Augustus A few days earlier her lover of eleven years Mark Antony had died in her arms following his own botched suicide attempt Oceans of mythology have grown up around them all of which Diana Preston puts to rest in her stirring history of the lives and times of a couple whose names more than two millennia later still invoke passion curiosity and intrigue This book sets the romance and tragedy of Antony and Cleopatra's personal lives within the context of their political times There are many contemporary resonances the relationship between East and West and the nature of empire the concealment of personal ambition beneath the watchword of liberty documents forged edited or disposed of special relationships established constitutional forms and legal niceties invoked when it suited Indeed their lives and deaths had deep political ramifications and they offer a revealing perspective on a tipping point in Roman politics and on the consolidation of the Roman Empire Three hundred years would pass before the

east would with the rise of Constantinople and the Byzantine Empire once again take a share of political power in the Mediterranean In an intriguing postscript Preston speculates on what might have happened had Antony and Cleopatra defeated Octavian at the Battle of Actium in 31 B C

**Birds in the Ancient World** Jeremy Mynott, 2018-05-10 Birds pervaded the ancient world impressing their physical presence on the daily experience and imaginations of ordinary people and figuring prominently in literature and art They provided a fertile source of symbols and stories in myths and folklore and were central to the ancient rituals of augury and divination Jeremy Mynott's *Birds in the Ancient World* illustrates the many different roles birds played in culture as indicators of time weather and the seasons as a resource for hunting eating medicine and farming as domestic pets and entertainments and as omens and intermediaries between the gods and humankind We learn how birds were perceived through quotations from well over a hundred classical Greek and Roman authors all of them translated freshly into English through nearly 100 illustrations from ancient wall paintings pottery and mosaics and through selections from early scientific writings and many anecdotes and descriptions from works of history geography and travel Jeremy Mynott acts as a stimulating guide to this rich and fascinating material using birds as a prism through which to explore both the similarities and the often surprising differences between ancient conceptions of the natural world and our own His book is an original contribution to the flourishing interest in the cultural history of birds and to our understanding of the ancient cultures in which birds played such a prominent part

**Isis in the Ancient World** R. E. Witt, 1997-07-15 The first study to document the extent and complexity of the cult's influence on Graeco Roman and early Christian culture R E Witt's acclaimed *Isis in the Ancient World* is now available in paperback Worship of the Egyptian goddess Isis dates as far back as 2500 B C and extended at least until the fifth century A D throughout the Roman world The importance of her cult is attested to in Apuleius's *Golden Ass* and evidence of its influence has been found in places as far apart as Afghanistan and Portugal the Black Sea and northern England The first study to document the extent and complexity of the cult's influence on Graeco Roman and early Christian culture R E Witt's acclaimed *Isis in the Ancient World* is now available in paperback

**Love** Simon May, 2019-03-12 What is love's real aim Why is it so ruthlessly selective in its choice of loved ones Why do we love at all In addressing these questions Simon May develops a radically new understanding of love as the emotion we feel towards whomever or whatever we experience as grounding our life as offering us a possibility of home in a world that we supremely value He sees love as motivated by a promise of ontological rootedness rather than as two thousand years of tradition variously asserts by beauty or goodness by a search for wholeness by virtue by sexual or reproductive desire by compassion or altruism or empathy or in one of today's dominant views by no qualities at all of the loved one After arguing that such founding Western myths as the *Odyssey* and Abraham's call by God to Canaan in the Bible powerfully exemplify his new conception of love May goes on to re-examine the relation of love to beauty sex and goodness in the light of this conception offering among other things a novel theory of beauty and suggesting against Plato that we can

love others for their ugliness while also seeing them as beautiful Finally he proposes that in the Western world romantic love is gradually giving way to parental love as the most valued form of love namely the love without which one s life is not deemed complete or truly flourishing May explains why childhood has become sacred and excellence in parenting a paramount ideal as well as a litmus test of society s moral health In doing so he argues that the child is the first genuinely modern supreme object of love the first to fully reflect what Nietzsche called the death of God     See Inside the Ancient World Rob Lloyd Jones,2012 This lift the flap book is packed with interesting information about the ancient world from the dawn of civilization in ancient Egypt to the rise of the great Mayan culture in Central America

## **Love In The Ancient World Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Love In The Ancient World PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Love In The Ancient World PDF books and manuals is convenient and cost-effective, it is vital to respect

copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Love In The Ancient World free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About Love In The Ancient World Books**

**What is a Love In The Ancient World PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Love In The Ancient World PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Love In The Ancient World PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Love In The Ancient World PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Love In The Ancient World PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to

share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
