[Love in Times of Reformation](#) William P. Balkenende, 1991 **The New Reformation** Shai Linne, 2021-05-18 In the sixteenth century the church faced a doctrinal crisis Today the crisis is race We all know that racial unity is important But what's the right way to approach it How can Christians of different ethnicities pursue unity in an environment that is so highly charged and full of landmines on all sides In *The New Reformation* Christian hip hop artist Shai Linne shows how the gospel applies to the pursuit of ethnic unity When it comes to ethnicity Christians today have to fight against two tendencies idolatry and apathy Idolatry makes ethnicity ultimate while apathy tends to ignore it altogether But there is a third way the way of the Bible Shai explains how ethnicity the biblical word for what we mean by race exists for God's glory Drawing from his experience as an artist theologian church planter and pastor Shai will help you chart a new way forward in addressing the critical question of what it means for people of all ethnicities to be the one people of God **Why Do We Have Creeds?** Burk Parsons, 2012 The pluralist society is wrong Everyone's beliefs are not equally valid truth is not down to who is the biggest bully Creeds give direction unity and fellowship and show the world what we believe [Still Time to Care](#) Greg Johnson, 2021-12-07 Charting the path forward for our churches and ministries in providing care not a cure for our non straight sisters and brothers who are living lives of costly obedience to Jesus At the start of the gay rights movement in 1969 evangelicalism's leading voices cast a vision for gay people who turn to Jesus It was C S Lewis Billy Graham Francis Schaeffer and John Stott who were among the most respected leaders within theologically orthodox Protestantism We see with them a positive pastoral approach toward gay people an approach that viewed homosexuality as a fallen condition experienced by some Christians who needed care more than cure With the birth and rise of the ex gay movement the focus shifted from care to cure As a result there are an estimated 700 000 people alive today who underwent conversion therapy in the United States alone Many of these patients were treated by faith based testimony driven parachurch ministries centered on the ex gay script Despite the best of intentions the movement ended with very troubling results Yet the ex gay movement died not because it had the wrong sex ethic It died because it was founded on a practice that diminished the beauty of the gospel Yet even after the closure of the ex gay umbrella organization Exodus International in 2013 the ex gay script continues to walk about as the undead among us pressuring people like me to say I used to be gay but I'm not gay anymore Now I'm just same sex attracted For orthodox Christians the way forward is to take a close look at our history It is time again to focus with our Neo Evangelical fathers on caring over attempting to cure With warmth and

humor as well as original research Still Time to Care provides Guidance for the gay person who hears the gospel and finds themselves smitten by the life giving call of Jesus Guidance for the church to repent of its homophobia and instead offer gospel motivated love and compassion     **Truth with Love** Bryan A. Follis,2006-09-22 Francis Schaeffer was a well known extremely influential apologist and thinker who made his mark defending orthodox truth in the face of strong opposition He was foremost in the vocation of apologetic ministry and he was a brilliant man whom God used mightily during the decades of the 1960s 70s and 80s In Truth with Love Bryan Follis explores the theology and thinking that fueled the ministry of Francis Schaeffer from his Reformed position to his understanding of fundamentalism Follis examines Schaeffer s apologetic argument and the role of reason in his discussions and writings The position Francis Schaeffer took against modernism and its applicability in this day of postmodernism are studied as well This book is a beneficial resource for any Francis Schaeffer fan and any minister teacher or student who appreciates truth and its defense in the face of different kinds of opposition

**Saving the Reformation** W. Robert Godfrey,2019 In the early decades of the seventeenth century the direction of the Reformed faith hung in the balance A group called the Remonstrants followers of Jacobus Arminius presented a petition that argued for a version of the faith that watered down many of the distinctive theological positions inherited from John Calvin and from Augustine before him The petition caused controversy in the Dutch Reformed Church and it demanded a response In 1618 the church convened a synod in the port town of Dordrecht There the document known as the Canons of Dort was crafted This remarkable document sets forth clearly and forcefully the Reformed understanding of salvation which preserved the theology of the Reformation and provided the world with an elegant and powerful defense of the biblical gospel In Saving the Reformation The Pastoral Theology of the Canons of Dort Dr W Robert Godfrey examines the background and activity of the Synod of Dort providing crucial historical context He then provides a fresh translation of the Canons of Dort from the Dutch and a new pastoral commentary allowing a new generation of readers to understand and appreciate this important text for themselves

**Don't Lose Heart** Jason Meyer,2019-10-15 A fallen world is full of reasons to lose heart From the large scale tragedies of war famine and natural disasters to the more personal tragedies of broken relationships and broken

dreams it can be difficult to avoid discouragement even for the believer And yet Scripture calls us to a life of hope based not on wishful thinking or avoiding our problems but based on who God is what he has done and what he is still doing In this short giftable book pastor Jason Meyer shows you that though the reasons for discouragement seem strong the reasons we have to take heart and hold on to hope are stronger yet Through biblical truth and personal stories Meyer encourages the weary and anxious believer by shining light on the nature of reality the nature of God and the intersection of the two in our daily rubber meets the road lives The result is a book that lifts our spirits in a world that too often seeks to drag us down

**Love God and Leave the Last Days Behind** Paul Richard Strange Senior,2018-06-16 Many Christians grew up hearing that Jesus will come back any moment We believed this strongly I was one of those who felt strongly as a teenager that I would probably see Jesus coming in the clouds I remember looking up in the sky several times when I was thirteen hoping to see it happen I no longer believe that Jesus will physically show up in the clouds any minute even though I deeply love all of my family and friends who still think that way What changed my mind It was taking seriously what our Lord actually told His First Century followers about His coming He said it would happen in their lifetime and I now believe that it truly did It was a coming just like all of the Old Testament comings had been They were all judgments upon persons living in specific places where God was about to end their way of life First Century Jerusalem confronted the most significant battle in all of human history and it was a covenantal battle The Jewish nation found itself during the forty years following the Cross and the Resurrection of Jesus having to decide between the claims of the rulers of the nation that Jesus was not Messiah and the claims of the Apostles of Jesus that He was in fact the Promised Son of David and Savior of the world The end came to the people of the ancient Hebrew Prophet Daniel just as God told Daniel centuries before it happened The coming of the last days of the Jewish national covenant with Yahweh was tragic and painful and changed all of history Today many people are fascinated by novels about 666 and trying to figure out the modern beast and anti christ This might be entertaining but it lessens our devotion to the King Who has kept His Word and through Whom we all will eventually give an account Leaving the last days behind will enable all of us who love God to focus better on the principles of His kingdom loving our families and neighbors and the larger community of our neighbors better We will become less enthralled with science fiction if we conclude that the Biblical last days both began AND ENDED more than 1900 years ago It will help us see our role more clearly in living the kingdom hands on to solve the problems of our times and to build the brightest goals for future generations of our peeps **The Love Awakening** Leif Hetland,2022-04-19 We were created to love and be loved

supernaturally So digging down into the human heart will not help us find what we re looking for We need to look up into the heart of God the Creator of this universe who is love This is how we truly experience being loved **The Attributes of God** Ligonier Ministries,2014-02-26 Teaching Outline Study Guide for The Attributes of God **History of the Reformation in the Time of Calvin** Merle D'Aubigne, J.
