

Love is always patient and kind. It is never jealous.

Love is never boastful or conceited. It is never rude or selfish. It does not take offense and is not resentful. Love takes no pleasure in other people's sins, but delights in the truth. It is always ready to excuse, to trust, to hope, and to endure whatever comes.

Love Is Kim Sorrelle, 2021-12-07 Engage with a love that transcends social experiments and leads to a radically transformed life Even non Christians are familiar with the Love Chapter of 1 Corinthians read at weddings painted on decorative signs and preached regularly from the pulpit Love is patient love is kind love is The words are so familiar they almost lack meaning a Christianese version of live laugh love But what happens when these verses are taken seriously What would it take for someone to live out the Love Chapter as literally as possible That was the question Kim Sorrelle set out to answer during her yearlong experiment Using 1 Corinthians 13 as a road map she focused on one phrase at a time seeking to understand its true meaning and how it could motivate every daily action And she didn't just look at the best known parts of the passage but also the parts we don't think too deeply about love does not boast does not dishonor others doesn't keep a record of wrongs and more In her attempts to live the Love Chapter to the letter Kim journeyed all the way to Haiti where she met people who both tested and displayed love to its limits From irritating employees to sexist short term missionaries to curse wielding women to the profoundly kind nuns her encounters are filled with rueful self reflection and comical commentary as well as a new understanding of the nuances and power of true love in action Kim's transformation into someone who truly loves like Jesus will challenge readers to think more deeply about how they can manifest love in their own lives and will reveal the power of Christlike devotion that is unwearied and

humble contented and forgiving Above all her exploration is an incredible encounter with the filling strengthening love of God a love that truly never fails

Love Is a Story Robert J. Sternberg,1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashingly incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely Love is a Story shows you how to find out

Love Is Craig R Durrant,2019-11-17 What is love Craig thought that he knew what it was until his life fell apart and his dreams shattered along with all that he held close to his heart burnt in the fires of divorce and broken hearts He thought it was giving up our dreams in order to please others and to do whatever it takes to make them happy but that isn't love Everything that he thought was love failed over and over and felt more like neediness and desperation instead of love Believing that his only source of love was from others he had given away his dreams and his power which left him feeling broken and needy Love is a heart and soul learning how to love and dream again with increased openness and greater depth Love is many things but it is never needy or broken In his journey to love again the answers came It exposes our inner song as a gift to those we love and to the world This is a gift to the world It is Craig's inner song of loving again with the transparency and nakedness of love It is remembering and learning that love is Read on and see if it speaks to your soul like it has for so many others Love is
