Love Is A Gun:

Gun Love Jennifer Clement, 2018-03-06 LONGLISTED FOR THE NATIONAL BOOK AWARD Fortified with wit and tenderness *Gun Love* potently illuminates a puzzled land O The Oprah Magazine NAMED ONE OF THE TEN BEST FICTION BOOKS OF THE YEAR BY TIME SHORTLISTED FOR THE ASPEN WORDS LITERARY PRIZE The searing unforgettable story of a young girl's resilience by the award winning author of *Prayers for the Stolen Pearl* s mother took her away from her family just weeks after she was born and drove off to central Florida determined to begin a new life for herself and her daughter in the parking lot next to a trailer park Pearl grew up in the front seat of their 94 Mercury while her mother lived in the back Despite their hardships mother and daughter both adjusted to life making friends with the residents of the trailers and creating a deep connection to each other All around them Florida is populated with gun owners those hunting alligators for sport those who want to protect their families and those who create a sense of danger Written in a gorgeous lyric all its own *Gun Love* is the story of a tough but optimistic young woman growing up in contemporary America in the midst of its harrowing love affair with firearms

Son of a Gun Justin St. Germain, 2013-08-13 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY In the tradition of Tobias Wolff James Ellroy and Mary Karr a stunning memoir of a mother son relationship that is also the searing unflinching account of a murder and its aftermath Tombstone Arizona September 2001 Debbie St Germain's death apparently at the hands of her fifth husband is a passing curiosity A real life old West murder mystery the local TV announcers intone while barroom gossips snicker cruelly But for her twenty year old son Justin St Germain the tragedy marks the line that separates his world into before and after Distancing himself from the legendary town of his childhood Justin makes another life a world away in San Francisco and achieves all the surface successes that would have filled his mother with pride Yet years later he's still sleeping with a loaded rifle under his bed Ultimately he is pulled back to the desert landscape of his childhood on a search to make sense of the unfathomable What made his mother a onetime army paratrooper the type of woman who would stand up to any man except the men she was in love with What led her to move from place to place man to man job to job until finally she found herself in a desperate and deteriorating situation living on an isolated patch of desert with an unstable ex cop Justin's journey takes him back to the ghost town of Wyatt Earp to the trailers he and Debbie shared to the string of stepfathers who were a constant sometimes threatening presence in his life to a harsh world on the margins full of men and women all struggling to define what family means He decides to confront people from his past and delve into the police records in an attempt to make sense of his mother's life and death All the while he tries to be the type of man she would have wanted him to be Praise for *Son of a Gun* A spectacular memoir calls to mind two others of the past decade J R Moehringer's *Tender Bar* and Nick Flynn's *Another Bull ____ Night in Suck City* All three are about boys becoming men in a broken world What might have been in the hands of a lesser writer the book's main point is amplified from a tale of personal loss and grief into a parable for our time and our

nation If the brilliance of Son of a Gun lies in its restraint its importance lies in the generosity of the author s insights Alexandra Fuller The New York Times Book Review A gritty enthralling new memoir St Germain has created a work of austere luminous beauty In his understated eloquent way St Germain makes you feel the heat taste the dust see those shimmering streets By the end of the book you know his mother even though you never met her And like the author you will mourn her forever NPR If St Germain had stopped at examining his mother s psycho social risk factors and how her murder affected him this would still be a fine moving memoir But it s his further probing into the culture of guns violence and manhood that informed their lives in his hometown Tombstone Ariz that transforms the book elevating the stakes from personal pain to larger important questions of what ails our society The Boston Globe A visceral compelling portrait of St Germain s mother and the violent culture that claimed her Entertainment Weekly **Girl with a Gun** Diana
