My Greatest Teacher Dr. Wayne W.

Dyer, Lauber Lynn, 2012-02-22 From best selling author and spiritual teacher Wayne W Dyer comes *My Greatest Teacher* which follows a man's journey to find understanding and reconciliation with his past. Despite having a loving family and a fulfilling career as a university professor, Ryan Kilgore has always held deep resentment and anger toward the father who abandoned him when he was born. When these emotions take their toll on his marriage and his relationship with his own son, Ryan realizes he must confront these unhealed wounds in order to move forward in his life. While at an academic conference, he embarks on a search to track down his father, Big Bob. Along the way, Ryan encounters friends and acquaintances of Big Bob while reawakening memories of his childhood. *My Greatest Teacher* is an inspiring tale of how we can transform suffering and pain into forgiveness and love and the lessons we can learn through the most difficult challenges we face. **I Love My Teacher!**, 2022-01-18 A new generation of children love Daniel Tiger's Neighborhood inspired by the classic series *Mister Rogers Neighborhood*. Celebrate teachers with Daniel Tiger in this heartfelt board book. Daniel Tiger and his classmates are showing their love and appreciation for Teacher Harriet. There are so many things that Teacher Harriet does that make her a wonderful teacher from helping Daniel and his friends learn and grow every day to learning how to solve a problem and trying different foods. 2021 The Fred Rogers Company. **A Teacher's Love**, Lisa Wills, 2021-10-15 **We Want to Do More Than Survive**, Bettina L. Love, 2019-02-19 Winner of the 2020 Society of Professors of Education Outstanding Book Award. Drawing on personal stories, research, and historical events, an esteemed educator offers a vision of educational justice inspired by the rebellious spirit and methods of abolitionists. Drawing on her life's work of teaching and researching in urban schools, Bettina Love persuasively argues that educators must teach students about racial violence, oppression, and how to make sustainable change in their communities through radical civic initiatives and movements. She argues that the US educational system is maintained by and profits from the suffering of children of color. Instead of trying to repair a flawed system, educational reformers offer survival tactics in the forms of test-taking skills, acronyms, grit labs, and character education, which Love calls the educational survival complex. To dismantle the educational survival complex and to achieve educational freedom, not merely reform, teachers, parents, and community leaders must approach education with the imagination, determination, boldness, and urgency of an abolitionist. Following in the tradition of activists like Ella Baker, Bayard Rustin, and Fannie Lou Hamer, *We Want to Do More Than Survive* introduces an alternative to traditional modes of educational reform and expands our ideas of civic engagement and intersectional justice. **Worst Enemy, Best Teacher**, Deidre Combs, 2011-02-08 *Worst Enemy, Best Teacher* presents a powerful system to identify and learn how to best approach the person or problem that plagues us most, whether it's a neighbor, a brother-in-law, a new boss, or the factory's fiercest competitor. Combs breaks down problems and threats into more easily understood categories such as conflicts that threaten physical harm, emotional pain, constriction of one's ability to be unique, and intellectual threats, and how they affect one's world view and beliefs. Hands-on exercises, parables, and real-life stories show readers how to apply the wisdom gained from

studying the opponent to any challenge whether within one's self with friends or family or between companies or nations

Worst Enemy Best Teacher offers ingenious tips and techniques for learning from the enemy and converting conflict into resolution
