I Love Being the Enemy Reggie Miller, 1999-04 Reggie Miller on the New York Knicks I m telling you right now I hate the Knicks Absolutely hate those kids Face it The Knicks are dirty players Let me take the back They re not dirty players but when things aren t going New York s way they re going to do whatever it takes to win And if that means hurting someone then they ll do it I m not going to say that s dirty but sometimes they take it to the extreme On the mental side of the game Everybody in the NBA knows how to play basketball or else they wouldn t be there But what separates the good players from the great players is their mental capacity not only to overcome their opponent but to get through the tough spots I always feel mentally stronger than any opponent I step on the same floor with He might have more talent than I do but I don t think anybody is mentally stronger than me I ll match wills with anybody On determination On Cheryl Miller Cheryl I got 39 Reggie that s great Yeah so how d you do Uh I got 105 Thing was Cheryl didn t say it to be mean But damn 105 points in one game But I got my revenge a few years later We got out to the court and shesaid Your ball I told her she could have it first So she

kind of crouched down made her usual strong first move got right past me and put up the shot Cheryl paused for a moment and then said in a real serious tone We re going to play Hors Love Your Enemies Arthur C. Brooks,2019-03-12 To get ahead today you have to be a jerk right Divisive politicians Screaming heads on television Angry campus activists Twitter trolls Today in America there is an outrage industrial complex that prospers by setting American against American Meanwhile one in six Americans have stopped talking to close friends and family members over politics Millions are organizing their social lives and curating their news and information to avoid hearing viewpoints differing from their own Ideological polarization is at higher levels than at any time since the Civil War America has developed a culture of contempt a habit of seeing people who disagree with us not as merely incorrect or misguided but as worthless Maybe you dislike it more than nine out of ten Americans say they are tired of how divided we have become as a country But hey either you play along or you ll be left behind right Wrong In Love Your Enemies New York Times bestselling author and social scientist Arthur C Brooks shows that treating others with contempt and out outraging the other side is not a formula for lasting success Blending cutting edge behavioral research ancient wisdom and a decade of experience leading one of America s top policy think tanks Love Your Enemies offers a new way to lead based not on attacking others but on bridging national divides and mending personal relationships Brooks prescriptions are unconventional To bring America together he argues we shouldn t try to agree more There is no need for mushy moderation because disagreement is the secret to excellence Civility and tolerance shouldn t be our goals because they are hopelessly low standards And our feelings toward our foes are irrelevant what matters is how we choose to act Love Your Enemies is not just a guide to being a better person It offers a clear strategy for victory for a new generation of leaders It is a rallying cry for people hoping for a new era of American progress And most of all it is a roadmap to arrive at the happiness that comes when we choose to love one another despite our differences
