## **Love Is The Motive:**

The Motive Patrick M. Lencioni, 2020-02-26 Shay was still angry but shrugged nonchalantly as if to say it's not that big of a deal. So what am I wrong about? You're not going to want to hear this but I have to tell you anyway. Liam paused before finishing. You might be working hard but you're not doing it for the company. What the hell does that mean? Shay wanted to know. Knowing that his adversary might punch him for what he was about to say, Liam responded. You're doing it for yourself. New York Times best-selling author Patrick Lencioni has written a dozen books that focus on how leaders can build teams and lead organizations. In *The Motive* he shifts his attention toward helping them understand the importance of why they're leading in the first place. In what may be his edgiest page-turner to date, Lencioni thrusts his readers into a day-long conversation between rival CEOs. Shay Davis is the CEO of Golden Gate Alarm who, after just a year in his role, is beginning to worry about his job and is desperate to figure out how to turn things around. With nowhere else to turn, Shay receives some hard-to-swallow advice from the most unlikely and unwanted source: Liam Alcott, CEO of a more successful security company and his most hated opponent. Lencioni uses unexpected plot twists and crisp dialogue to take us on a journey that culminates in a resolution that is as unexpected as it is enlightening. As he does in his other books, he then provides a straightforward summary of the lessons from the fable, combining a clear explanation of his theory with practical advice to help executives examine their true motivation for leading. In addition to provoking readers to honestly assess themselves, Lencioni presents action steps for changing their approach in five key areas. In doing so, he helps leaders avoid the pitfalls that stifle their organizations and even hurt the people they are meant to serve. *Love Is the Motive* Carol Amen, 1977 **Just Mercy** Bryan Stevenson, 2014-10-21 1 NEW YORK TIMES BESTSELLER NOW A MAJOR MOTION PICTURE STARRING MICHAEL B JORDAN AND JAMIE FOXX. A powerful true story about the potential for mercy to redeem us and a clarion call to fix our broken system of justice from one of the most brilliant and influential lawyers of our time. Bryan Stevenson's dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country. John Legend NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN. Named One of the Best Books of the Year by The New York Times, The Washington Post, The Boston Globe, The Seattle Times, Esquire, Time. Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn't commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinksmanship and transformed his understanding of mercy and justice forever. *Just Mercy* is at once an unforgettable account of an idealistic, gifted young lawyer's coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice. Winner of the Carnegie Medal for Excellence in Nonfiction, Winner of the NAACP
