Love Is The Wine Talks Of A Sufi Master In America:

Love Is The Wine Muzaffer Ozak, 2013-10-17 Love is the Wine presents an intoxicating mix of essays to satisfy the spiritual thirst of those with long experience in Islam as well as those encountering Sufism and the meaning of spiritual love for the first time Themes including generosity faith self knowledge patience and love are developed with stories and teachings by Turkish Sufi master Sheikh Muzaffer Ozak A mesmerizing storyteller master teacher and prolific author in his native country he was ideally suited to bring the richness of the Sufi tradition to the West The chapters of this book skillfully edited and compiled by the psychologist and Sufi teacher Dr Robert Frager were derived from talks given during Sheikh Muzaffer s visits to New York and California over the last years of his life Sheikh Muzaffer Ozak understood Westerners as almost no Sufi master before him has His religious bookshop in Istanbul attracted hundreds of Western seekers visiting Turkey In his travels he initiated hundreds of Americans and Europeans into the Halveti Jerrahi Order interpreted their dreams and answered their questions about everything from theology and mysticism to marriage and earning a living These stories and teachings are memorable yet highly enigmatic and meant to be told and retold Like great spiritual parables the themes are universal and their applications ageless The astute reader will appreciate new levels of meaning in these profound teaching tales with each reading Love is the Wine is a treasury filled with priceless items of Sufi wisdom *Sufi Talks* Robert Frager, 2012-06-26 A professor of psychology and religious studies who became a sheikh in 1985 describes the teachings of the Sufi master Muzaffer Efendi and shares the universal wisdom and lessons for enhancing one s interpersonal relationships through connecting with God Original **Love's Alchemy**, 2011-02-09 Working from the original Persian sources translators and scholars David and Sabrineh Fideler offer faithful elegant translations that represent the full scope of Sufi poetry These concise tightly focused meditations span only a few lines but reveal worlds of meaning The poems explore many aspects of human life and the spiritual path but they center on the liberating power of love *Hafiz of Shiraz* Peter Avery, 2020-10-13 Hafiz a quarry of imagery in which poets of all ages might mine Ralph Waldo Emerson Hafiz was born at Shiraz in Persia some time after 1320 and died there in 1389 He is then an almost exact contemporary of Chaucer His standing in Persian literature ranks him with Shakespeare and Goethe A Sufi Hafiz lived in troubled times Cities like Shiraz fell prey to the ambitions of one marauding prince after another and knew little peace The nomads of Central Asia finally overthrew the rule of these princes and led to the establishment of the succeeding Timurid Dynasty It is of utmost literary interest that a poet who has remained immensely popular and most frequently quoted in his own land should for the universality and grace of his wisdom and wit be known outside the land of his birth as he used to be the subject of veneration among literati both in Europe and the United States The time for revival of interest in a poet of such cosmopolitan appeal is overdue His poems celebrate the love wine and the fellowship of all creatures This volume first published in 1952 brings back into print at last the renderings the most beautiful and faithful in English of this greatest of Persian writers *The Sufi Path*

Chittick, 1984-06-30 This is the most accessible work in English on the greatest mystical poet of Islam providing a survey of the basic Sufi and Islamic doctrines concerning God and the world the role of man in the cosmos the need for religion man's ultimate becoming the states and stations of the mystical ascent to God and the means whereby literature employs symbols to express unseen realities William Chittick translates into English for the first time certain aspects of Rumi's work He selects and rearranges Rumi's poetry and prose in order to leave aside unnecessary complications characteristic of other English translations and to present Rumi's ideas in an orderly fashion yet in his own words Thorough nontechnical introductions to each chapter and selections that gradually present a greater variety of terms and images make this work easily accessible to those interested in the spirituality of any tradition **Subjectivity in 'Aṭṭār, Persian Sufism, and European Mysticism** Claudia Yaghoobi, 2017 Adopting an empirical and systematic approach this interdisciplinary study of medieval Persian Sufi tradition and Attar 1145-1221 opens up a new space of comparison for reading and understanding medieval Persian and European literatures The book invites us on an intellectual journey that reveals exciting intersections that redefine the hierarchies and terms of comparison While the primary focus of the book is on reassessing the significance of the concept of transgression and construction of subjectivity within select works of Attar within Persian Sufi tradition the author also creates a bridge between medieval and modern literature and theory and European and Middle Eastern cultures through reading these works alongside one another Of significance to the author is Attar's treatment of enlightenment with regard to class religious gender and sexuality transgressions In this book the relation between transgression and the limit is not viewed as one of liberation from oppressive restrictions but of undoing the structures that produce constraining binaries it allows for alternatives and possibilities In conjunction with the concepts of transgression and the limit the presence of society's marginalized pariahs outcasts and untouchables are central to the book's main argument about construction of subjectivity which the author believes is framed within Attar's notion of mystical love and human diversity The book addresses the question of whether concepts such as transgression limit and subjectivity are solely applicable to modern times or they can shed light on our understanding of transgression and subjectivity from the past The author's comparative inquiries aim to intensify our understanding of these notions advanced in both the medieval and the modern world Through summoning works from various genres disciplines cultures and times the author posits that medieval literary works are living texts that
