Murphy,2014-08-29 This little book is a brief summary of the author's more prevalent spiritual beliefs and understandings The views shared are presented as quite generous comparisons to some spiritual views of the major religions of the world actually and within the spirit of true tolerance Though the author is passionate and often affirmative in his own beliefs he makes every effort to steer clear of rigid dogma In fact the book was written largely as an offering of reason the best way to counter the religious dogma already present in the world The author does not wish to open more doors for arguing and fighting rather he thinks there is much common ground where spiritual views can be jointly shared by all in unity and universal Oneness Though the author recognizes that humankind often displays great difficulty in reaching common ground for its greatest passions the author also hopes this book will open dialog toward that end **Blue Mountain** Susan Polis Schutz,2004 A tale of love hardships triumph and success It is the true story of Stephen Schutz and Susan Polis Schutz and their most unusual and often challenging ventures Blue Mountain Arts greeting card company and bluemountain.com Filled with practical business lessons This story is a riveting account of the mistakes Susan and Stephen made the solutions they designed the successes they reached and the personal and professional lessons they learned This book gives you an excellent opportunity to learn from the Schutzes experiences and insights For anyone who has ever had a dream In the late 1960's

Susan and Stephen were two idealistic recent college graduates he an artist with a Princeton Ph D in theoretical physics and she a teacher and a writer One day they decided to silk screen posters that combined their art and poetry They traveled around the country selling their posters while living out of a bright yellow pickup truck camper Thus Blue Mountain Arts was born About standing up and fighting for what you believe in In the 1980 s Susan and Stephen designed the number one selling card line in the United States and found themselves battling one of America s largest corporations Rather than watching their cards and company get destroyed the Schutzes boldly went to court The precedent setting legal battle was dubbed by the media as the trial of David v Goliath An insider s look into the dot com craze In the late 1990 s Susan and Stephen together with their eldest son Jared developed bluemountain com a free Internet greeting card service that quickly grew into one of the world s most popular websites A tender portrayal of love and life in an earlier perhaps more innocent time In a separate section Susan shares her personal memories of growing up during the conservative 1950 s in a small country town She speaks candidly about her college years teaching planning a commune falling in love and living amidst the political and philosophical turmoil of the 1960 s In heartfelt words Susan describes her romantic relationship with Stephen and the births of their children A business book with a soul In sharp contrast to today s headlines of scandal and greed this is the refreshing story of how the Schutzes followed their intuition stayed true to their values and ideals and created a flourishing company that has managed to stay ethical and successful at the same time Better than fiction or fairy tale You will laugh and cry and experience every emotion in between as you read the amazing story of Stephen and Susan Polis Schutz and Blue Mountain Arts Book jacket **A Sister's Love Is Forever** Angela Joshi,2011-11-15 No one can take the place of a sister She is the only one who has shared your past and who be there for your future She knows your dreams and goals and she s the first one to celebrate your joys and help you through your sorrows She is a confidante an advisor and a companion in whatever life brings your way This inspiring Blue Mountain Arts collection captures all the thoughts and feelings that go along with having a sister the ever present smiles and laughter the understanding and encouragement and above all the love It is a book that any sister would be proud to receive and a perfect way to let a special sister know that she s more than family she s a friend for life Twenty-one Love Poems Adrienne Rich,1976 I Love You Because . . . The Essential Rumi Jalāl al-Dīn Rūmī (Maulana), 1997 Jelaluddin Rumi was born in the year 1207 and until the age of thirty-seven was a brilliant scholar and popular teacher. But his life changed forever when he met the powerful wandering dervish Shams of Tabriz, of whom Rumi said, "What I had thought of before as God, I met today in a human being." From this mysterious and esoteric friendship came a new height of spiritual enlightenment. When Shams disappeared, Rumi began his transformation from scholar to artist, and his poetry began to fly. Today, the ecstatic poetry of Jelaluddin Rumi is more popular than ever, and Coleman Barks, through his musical and magical translations, has been instrumental in bringing this exquisite literature to devoted followers.
