## **Love Is Where You Find It:**

*Love, Kurt* Kurt Vonnegut, 2020-12-01 A never before seen collection of deeply personal love letters from Kurt Vonnegut to his first wife Jane compiled and edited by their daughter A glimpse into the mind of a writer finding his voice The Washington Post If ever I do write anything of length good or bad it will be written with you in mind Kurt Vonnegut's eldest daughter Edith was cleaning out her mother's attic when she stumbled upon a dusty aged box Inside she discovered an unexpected treasure more than two hundred love letters written by Kurt to Jane spanning the early years of their relationship The letters begin in 1941 after the former schoolmates reunited at age nineteen sparked a passionate summer romance and promised to keep in touch when they headed off to their respective colleges And they did through Jane's conscientious studying and Kurt's struggle to pass chemistry The letters continue after Kurt dropped out and enlisted in the army in 1943 while Jane in turn graduated and worked for the Office of Strategic Services in Washington D C They also detail Kurt's deployment to Europe in 1944 where he was taken prisoner of war and declared missing in action and his eventual safe return home and the couple's marriage in 1945 Full of the humor and wit that we have come to associate with Kurt Vonnegut the letters also reveal little known private corners of his mind Passionate and tender they form an illuminating portrait of a young soldier's life in World War II as he attempts to come to grips with love and mortality And they bring to light the origins of Vonnegut the writer when Jane was the only person who believed in and supported him supported him the young couple having no idea how celebrated he would become A beautiful full color collection of handwritten letters notes sketches and comics interspersed with Edith's insights and family memories *Love Kurt* is an intimate record of a young man growing into himself a fascinating account of a writer finding his voice and a moving testament to the life altering experience of falling in love

*Love After 50* Francine Russo, 2022-07-12 A comprehensive and intimate guide to finding, keeping and enjoying love after fifty the best kind of love there is. Studies keep showing that love after fifty is more satisfying than at any other stage in life and it makes sense at this stage you are more emotionally stable and more focused on the present you know what you absolutely have to have but also what you can live without. Partnering is no longer about building family and fortune it's about sharing intimacy as grounded individuals. And sex isn't pass fail anymore but about becoming erotic friends. So if this is the promised land how do you get there? In *Love After 50* journalist Francine Russo interviewed the best experts in the field and dozens of couples to help show the way. Her practical excellent guide John Gottman author of *The Seven Principles for Making Marriage Work* includes advice like How to recover from the emotional damage of divorce the grief of widowhood or a history of unfulfilling relationships How to build realistic requirements for a partner What attitudes to bring to dating How to overcome the psychological challenges of sex and embrace your erotic selves How to evaluate the financial emotional and practical results of marrying living together or living apart How to deal with hostile adult kids to safeguard your relationship and family *Love After 50* is essential reading. Pauline Boss PhD author of *The Myth of Closure* that is not only practical but also unassuming and candid. It is full of real people's stories including the author's with vivid examples of couples who have overcome their pasts to form healthy and nurturing partnerships. In other words it's as real as love after fifty can be
