**Love Letters Buttercups Journal** Deborah Schenck, 1999-12 Chronicle Books is thrilled to launch a new stationery collection featuring the classic and captivatingly romantic floral imagery of Deborah Schenck Deborah Schenck has perfected the process of Polaroid transfer by which a photographic image is developed onto watercolor paper or as in this collection onto antique manuscript paper Love Letters Howitt's Journal William Howitt, 1847 **George Eliot's Life, as Related in Her Letters and Journals** George Eliot, 1899 **George Eliot's Life, as Related in Her Letters and Journals** George Eliot, 2010-10-28 Compiled from letters and journals this three volume biography presents an intimate portrait of George Eliot in her own words **George Eliot's Life, as Related in her Letters and Journals**, 1855 Offers a digitally printed version of the 1885 autobiography of George Eliot which is a collection of journals and letters that was compiled by the author's husband after her death The Publishers Weekly, 1921 George Eliot's Life as Related in her Letters and Journals (Complete) George Eliot, 2020-09-28 With the materials in my hands I have endeavored to form an autobiography if the term may be permitted of George Eliot The life has been allowed to write itself in extracts from her letters and journals Free from the obtrusion of any mind but her own this method serves I think better than any other open to me to show the development of her intellect and character In dealing with the correspondence I have been influenced by the desire to make known the woman as well as the author through the presentation of her daily life On the intellectual side there remains little to be learned by those who already know George Eliot's books In the twenty volumes which she wrote and published in her lifetime will be found her best and ripest thoughts The letters now published throw light on another side of her nature not less important but hitherto unknown to the public the side of the affections The intimate life was the core of the root from which sprung the fairest flowers of her inspiration Fame came to her late in life and when it presented itself was so weighted with the sense of responsibility that it was in truth a rose with many thorns for George Eliot had the temperament that shrinks from the position of a public character The belief in the wide and I may add in the beneficent effect of her writing was no doubt the highest happiness the reward of the artist which she greatly cherished but the joys of the hearthside the delight in the love of her friends were the supreme pleasures in her life By arranging all the letters and journals so as to form one connected whole keeping the order of their dates and with the least possible interruption of comment I have endeavored to combine a narrative of day to day life with the play of light and shade which only letters written in various moods can give and without which no portrait can be a good likeness I do not know that the particular method in which I have treated the letters has ever been adopted before Each letter has been pruned of everything that seemed to me irrelevant to my purpose of everything that I thought my wife would have wished to be omitted Every sentence that remains adds in my judgment something however small it may be to the means of forming a conclusion about her character I ought perhaps to say a word of apology for what may appear to be undue detail of travelling experiences but I hope that to many readers these will be

interesting as reflected through George Eliot's mind The remarks on works of art are only meant to be records of impressions She would have deprecated for herself the attitude of an art critic George Eliot's Life, as Related in Her Letters and Journals.
