*Love Is* Kim Sorrelle, 2021-12-07 Engage with a love that transcends social experiments and leads to a radically transformed life Even non Christians are familiar with the Love Chapter of 1 Corinthians read at weddings painted on decorative signs and preached regularly from the pulpit Love is patient love is kind love is The words are so familiar they almost lack meaning a Christianese version of live laugh love But what happens when these verses are taken seriously What would it take for someone to live out the Love Chapter as literally as possible That was the question Kim Sorrelle set out to answer during her yearlong experiment Using 1 Corinthians 13 as a road map she focused on one phrase at a time seeking to understand its true meaning and how it could motivate every daily action And she didn't just look at the best known parts of the passage but also the parts we don't think too deeply about love does not boast does not dishonor others doesn't keep a record of wrongs and more In her attempts to live the Love Chapter to the letter Kim journeyed all the way to Haiti where she met people who both tested and displayed love to its limits From irritating employees to sexist short term missionaries to curse wielding women to the profoundly kind nuns her encounters are filled with rueful self reflection and comical commentary as well as a new understanding of the nuances and power of true love in action Kim's transformation into someone who truly loves like Jesus will challenge readers to think more deeply about how they can manifest love in their own lives and will reveal the power of Christlike devotion that is unwearied and humble contented and forgiving Above all her exploration is an incredible encounter with the filling strengthening love of God a love that truly never fails

**1 Corinthians** Ralph F. Wilson, 2014-02 The church at Corinth was troubled It was five years old but had divisions doctrinal problems and all kinds of disorder One faction tried to justify going to prostitutes which was widely accepted in their culture Others thought they were so spiritual that they should avoid sex in marriage in favor of celibacy Speaking in tongues was rampant while most other spiritual gifts were being neglected Idolatry was reclaiming some of the new believers Observing the Lord's Supper was a farce This church had serious problems More than that many of the Corinthians resented Paul's influence and tried to minimize his apostolic authority This is one of his most spirited letters harsh in spots as Paul seeks to steer this young congregation away from pitfalls that threaten to destroy it More than anywhere else in Paul's letters you'll find instruction on church unity balanced worship the Lord's Supper church discipline the resurrection and Christ's coming divorce and marriage The Letter contains numerous notable verses I have become all things to all men so that by all possible means I might save some 9 22 No temptation has seized you except what is common to man 10 13 The Lord Jesus on the night he was betrayed took bread 11 23 26 Love is patient love is kind 13 4 8 We shall all be changed in a moment in the twinkling of an eye at the last trumpet 15 51 52 And many many more 1 Corinthians is a long letter sixteen chapters but Paul's most important epistle for shaping the Christian church This study explores First Corinthians in 15 lessons Helpful thought and discussion questions make it useful for personal enrichment and by small groups and classes Extensive research contained in the footnotes makes it a goldmine for teachers and a boon to preachers involved in sermon preparation

and persevere This approach highlights the crucial truth that we are able to love only because Christ first loved us in this particularly profound very real and transformative manner
