Soldiers of Light and Love Jacqueline Jones,1992 *Soldiers of Light and Love* is an acclaimed study of the reform minded northerners who taught freed slaves in the war torn Reconstruction South

Jacqueline Jones's book first published in 1980 focuses on the nearly three hundred women who served in Georgia in the chaotic decade following the Civil War. Commissioned by the American Missionary Association and other freedmen's aid societies, these middle-class New Englanders saw themselves as the postbellum evangelical heirs of the abolitionist cause. Specific in compass but wide-ranging in significance, *Soldiers of Light and Love* illuminates the complexity of class, race, and gender issues in early Victorian America. Life-Study of Luke Witness Lee, 1985-12

Letters of Love and Light Four Decades of UFO Encounters, Experiences and Sightings Shared with Ufologist R. Leo Sprinkle, Ph. D. Katie Griboski, 2020-10-12

Letters of Love Light is about the author's journey that led her to Laramie, Wyoming's American Heritage Center where she was seeking material and documentation from Leo's collection about her experiences as a young girl on a ranch in Elbert County, Colorado. The phenomenon there was very much like the infamous Skinwalker Ranch in Utah. What she ended up discovering was a treasure trove of people's heartfelt accounts of encounters and sightings. She was overwhelmed by the huge collection of mostly handwritten letters from people of all ages all around the world. The idea for *Letters of Love Light* was born. It is a culmination of interesting glimpses into people's encounters to be read, considered, and shared for others to learn from and connect with personally. Leo attracted a broad range of inquiries. From the simple and inquisitive to the complex and skeptical and everything in between. Yet they all had one thing in common: at the other end of the letter was a person searching for answers. This book is a glimpse into so many people's hearts and minds. People who were on a quest seeking answers to some of life's most mysterious questions. It's also about the lost art of letter writing and about friendship, communication, the sharing of ideas, and trusting in one another. May we all share in *Love Light*.

Poetry of Love N. N. Light, 2016-09-16

I had been searching for love my whole life. It took the opening up of the world via technology for me to find my soulmate. Once I laid eyes on her at the arrivals gate, I knew I was never going to let her go. The following is a collection of poems I wrote to my angel from our first meeting up until our wedding day. I was working crazy hours as a chef and I had a long commute. I chose my commuting time to pen her a poem each day. These poems speak of our life, our challenges, and our growth together in every aspect. They speak of our love. May this book give someone the courage to let their special someone know how much they care for them and how much they mean to them. Saying I love you is a gift you can give many times a day.
