Love Of God The:

The Love of God Oswald Chambers, 2020-02-04 This deeply scriptural spiritually practical book by Oswald Chambers explores the difference God's love makes both in this world and in our lives You'll discover a greater intimacy with Christ a richer knowledge of Him and a better understanding of how to share His love with others *The Love of God* Jon D. Levenson, 2020-03-31 The love of God is perhaps the most essential element in Judaism but also one of the most confounding In biblical and rabbinic literature the obligation to love God appears as a formal commandment Yet most people today think of love as a feeling How can an emotion be commanded How could one ever fulfill such a requirement The Love of God places these scholarly and existential questions in a new light Jon Levenson traces the origins of the concept to the ancient institution of covenant showing how covenantal love is a matter neither of sentiment nor of dry legalism The love of God is instead a deeply personal two way relationship that finds expression in God's mysterious love for the people of Israel who in turn observe God's laws out of profound gratitude for his acts of deliverance Levenson explores how this bond has survived episodes in which God's love appears to be painfully absent as in the brutal persecutions of Talmudic times and describes the intensely erotic portrayals of the relationship by biblical prophets and rabbinic interpreters of the Song of Songs He examines the love of God as a spiritual discipline in the Middle Ages as well as efforts by two influential modern Jewish thinkers Martin Buber and Franz Rosenzweig to recover this vital but endangered aspect of their tradition A breathtaking work of scholarship and spirituality alike that is certain to provoke debate The Love of God develops fascinating insights into the foundations of religious life in the classical Jewish tradition Publisher **God's Love** R. C. Sproul, 2012-09-01 Dr R C Sproul is one of the most renowned theologians of our time For over 40 years Dr Sproul has encouraged educated and enlightened millions through his books teaching and ministry God doesn't just love us He is love God's Love explores the unrelenting love of God which found its ultimate expression through His Son This release also explains difficult themes such as the different aspects of God's nature how His love coexists with His holiness and what the Bible means when it mentions God's hatred This is a compelling read for all who long to love as God loves *God of Love* Mirabai Starr, 2012-04-30 Shares an overview of teachings stories of saints and spiritual masters and prophetic calls for peace and justice in the three religions guiding readers to recognize the similarities that unify rather than divide them **For the Love of God (Vol. 1, Trade Paperback)** D. A. Carson, 2006-07-10 In a world that views absolute truth right and wrong and salvation as being subject to individual interpretation the Bible's unwavering proclamations and miraculous stories seem obsolete in modern times But it is not God's Word that has changed Indeed its relevancy and its power to transform lives are intact What has changed is the number of people who consult it Now more than ever the need to read the Bible to understand the big picture of its storyline and to grasp the relevance this has for your life is critical As with its companion volume For the Love of God Volume 2 this devotional contains a systematic 365 day plan based on the M Cheyne Bible reading schedule that will in the course of a year

guide you through the New Testament and Psalms twice and the rest of the Old Testament once In an effort to help preserve biblical thinking and living D A Carson has also written thought provoking comments and reflections regarding each day s scriptural passages And most uniquely he offers you perspective that places each reading into the larger framework of history and God s eternal plan to deepen your understanding of his sovereignty and the unity and power of his Word

Bergren,2009-09-15 As Little Cub and Grampa Bear s fishing adventure is interrupted by mischievous otters the young polar bear begins to question why we must love others even the seemingly unlovable part of the bestselling God Gave Us series with more than 5 million books sold In answering Little Cub s questions Grampa Bear gives tender explanations that teach Little Cub about the different kinds of love that is shared between families friends and mamas and papas Grampa explains that all these kinds of love come from God and that it is important to love others because Any time we show love Little Cub we re sharing a bit of his love This sweet tale will warm the hearts of young children as they learn about all the different sorts of love while the gentle explanations of each provide a valuable opportunity to encourage children to share with others a God sized love Love Shanna Star,2023-05-18 The Real Word of God series began in 2019 part one being published in 2020 There has been much information delivered in this series and I am being called to take a break from this series after part V There is so much information to be processed and so many layers of healing in that process that I must stop delivering the information and allow humanity to catch up with it Too much too fast is destructive to evolution and even though I have enough information to continue writing in this series it would hinder the ability for humanity to genuinely learn all of the lessons involved Use me as an example of listening to intuitive guidance for the greater good of humanity versus the plans our limited human mind sets in place I will continue to work in different ways as I am being called to take action in new ways We are limitless when walking as a vessel of creation There is no final destination to reach there is no point where you re almost there You are always there exactly where you need to be with an opportunity to choose the next level of yourself

When you feel stuck this series was given to me to give to you to bring you out of the dark I Love You Love Shanna

Misquoting Jesus Bart D. Ehrman, 2007-02-06 For almost 1 500 years the New Testament manuscripts were copied by hand and mistakes and intentional changes abound in the competing manuscript versions Religious and biblical scholar Bart Ehrman makes the provocative case that many of our widely held beliefs concerning the divinity of Jesus the Trinity and the divine origins of the Bible itself are the results of both intentional and accidental alterations by scribes In this compelling and fascinating book Ehrman shows where and why changes were made in our earliest surviving manuscripts explaining for the first time how the many variations of our cherished biblical stories came to be and why only certain versions of the stories qualify for publication in the Bibles we read today Ehrman frames his account with personal reflections on how his study of the Greek manuscripts made him abandon his once ultra conservative views of the Bible *The Love of God* Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God s love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God s love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series *The Love of God* Jon D. many people fail to experience the freedom and healing power of God's grace. Even Christians too often experience judgement rather than the love that is the vital essence of Christian life. A visionary guide in the spirit of Celebration of Discipline, Embracing the Love of God calls Christians back to the basics to understanding the promise of God's love to transform our most important relationships and fulfill our deepest spiritual needs. Here James Bryan Smith launches readers on a revitalizing spiritual journey. He distills the basic principles of Christian love and provides a new model for relationship with God self and others that is based not on fear and judgement but rather on acceptance and care. Smith's moving insights illuminate the gentle nature of God's love and teach readers how to continue on the path of love by embracing it day by day. For both new Christians and those desiring renewal, Embracing the Love of God offers hope, peace and guidance for spiritual growth.

The Love of God Lee Kah Wor, 2021-09-21. This e-Booklet is about what I have understood from the sermons by Pastors Lim Lian Neo and Lawrence Lim Fong Boon of New Creation Church on 12 and 19 September 2021 respectively. I received a new perspective on repentance from the sermon by Pastor Lian. Align the visions of myself with that of God. In other words, a renewal of my thought life. My feet follow my mind. Hence right believing leads to right living. The power to not be conformed to the world but transformed by God is through the renewal of the mind. A repentance. Romans 12:2. I am who God said I am. I have what God said I have. What constantly occupies my mind dominates my life. Sin will not have dominion over me when my mind is dominated by the love of God. Romans 6:14. From the sermon of Pastor Lawrence, I saw the essence of Nehemiah Chapter 9 captured by just one New Testament verse, Romans 5:8. Indeed, the Old is the New concealed and the New is the Old revealed. Romans 5:8 encapsulated the love, mercy and grace of God, the loving Father. We inherit the promises of God through faith and patience. Hebrews 6:12. Jesus the Christ is faithful in carrying out and fulfilling all the promises of God. 2 Corinthians 1:20. Living Bible. For that reason, Jesus is the Author and Finisher of faith. Hebrews 12:2. Patience produces strength of character in us. Romans 5:4. James 1:4. God is more interested in the development of our inner self to enjoy all His goodness for all eternity. It is a process that takes time. The power to complete the regime is in the love of God for us. Romans 5:5. God the Potter is not in a hurry to create a masterpiece out of the lump of clay. Then why should the lump of clay be in haste? It is hazy to be hasty. Let the love of God be our anchor of confident and expectant hope. The contents of this booklet are in no way affiliated to or endorsed by NCC nor the pastors. It is my way of sharing the Gospel as the recipient of God's love, mercy and grace. Freely have I received, freely I give. Let all glory redound to our Lord Jesus Christ.

Within the Love of God Anthony Clarke, Andrew Moore, 2014-11-27. The doctrine of God is central to theology for it determines the way in which other regions of Christian doctrine are articulated yet work on this topic in its own right has been occluded recently by treatments of the Trinity or divine passibility. This collection of specially commissioned essays presents major treatments of key themes in the doctrine of God motivated by but not restricted to the work of Professor Paul S. Fiddes to whom it is offered as a Festschrift. It includes invigorating discussions of the biblical and non-biblical sources for

the doctrine of God and the section on Metaphysics and the Doctrine of God examines some of the most important conceptual questions arising in contemporary theological debate about the being and nature of God and God's relations to the world. The final section of the book on God and Humanity will be highly relevant to scholars working in the fields of theological anthropology, moral and political theology, on interfaith relations, on theology and literature, or who are interested in the impact of contemporary science on the doctrine of God. The introduction relates the essays in the book to the work of Professor Fiddes and to wider debates in Christian doctrine. This volume brings together a team of internationally distinguished scholars from a wide range of theological, philosophical and religious perspectives and it will stimulate fresh thinking and new debate about this most central of topics in Christian theology.
