The Church and the Roman Empire (301–490) Mike Aquilina, 2019-09-13 Winner of a 2020 Catholic Press Association book award first place best new religious book series Suspense politics sin death sex and redemption Not the plot of the latest crime novel but elements of the true history of the Catholic Church Larger than life figures such as Athanasius of Alexandria Augustine and Constantine played an important part in the history of the Christianity In *The Church and the Roman Empire* AD 301 490 Constantine Councils and the Fall of Rome popular Catholic author Mike Aquilina gives readers a vivid and engaging account of how Christianity developed and expanded as the Roman Empire declined Aquilina explores the dramatic backstory of the Council of Nicaea and why Christian unity and belief are still expressed by the Nicene Creed He also sets the record straight about commonly held misconceptions about the Catholic Church In this book you will learn The Edict of Milan didn t just legalize Christianity it also established religious tolerance for all faiths for the first time in history The growth of Christianity inspired a more merciful society crucifixion was abolished the practice of throwing prisoners to wild beasts for entertainment was outlawed and slave owners were punished for killing their slaves Controversy between Arians and Catholics may have resulted in building more hospitals and other networks of charitable assistance to the poor When Rome fell not many people at the time noticed Books in the Reclaiming Catholic History series edited by Mike Aquilina and written by leading authors and historians bring Church history to life debunking the myths one era at a time *The Evangelistic Love of God & Neighbor* Bishop Scott J. Jones, 2010-08-01 There are it seems as many definitions of the term evangelism as there are people doing the defining For some it means proclaiming the gospel to those who have not heard it To others it means making disciples of Jesus Christ To others it means working for the transformation of the world into the kingdom of God For still others it has principally to do with building vibrant healthy congregations Underlying this confusion is a fundamental inability to locate the practice of evangelism within one s overall theological convictions We will never understand the part that proclamation disciple making kingdom building and church growth play in evangelism until we first ask a more important question What does evangelism have to do with who God is What is it we know about God that makes evangelism a central part of what it means to be Christian In this comprehensive theology of evangelism Scott J Jones proposes to ground the practice of evangelism in an understanding of God s love for the world specifically as seen in the

incarnation of God in Christ In Jesus God took on all of what it means to be human Because of this evangelism must be a ministry to the whole person The typical distinctions between soul winning social action and church growth evaporate individual conversion and acts of mercy are part of the same ministry of bringing persons more fully into the reign of a loving God

Spectacular Sins John Piper, 2008-09-12 John Piper delivers powerful biblical reassurances to bolster readers trust in the sovereignty of God and the supremacy of Christ when evil and tragedy come If God governs the sinful acts of men then does the devastation caused by those terrorists dictators murderers cheats and abusers discredit Jesus words All authority in heaven and earth belongs to me When heart rending news comes of the latest accident illness or natural disaster can we really believe that in Jesus all things hold together Though God has not answered all of our questions about sin and suffering there are things he wants us to know things he declares in his Word such as what is at stake in the spectacular sins of others and the horrible tragedies of this life their global purpose both historically and today and what these events say to us personally As John Piper works through these biblical truths this book will bolster readers trust in the utter sovereignty of God such that they will be less timid in their witness and less afraid of whatever may come It is also a joy infused declaration that because everything occurs through Christ and for Christ and his glory they are forever secure in him

Putting God Second Donniel Hartman, 2017-02-14 Why have the monotheistic religions failed to produce societies that live up to their ethical ideals A prominent rabbi answers this question by looking at his own faith and offering a way for religion to heal itself In Putting God Second Rabbi Donniel Hartman tackles one of modern life's most urgent and vexing questions Why are the great monotheistic faiths Judaism Christianity and Islam chronically unable to fulfill their own self professed goal of creating individuals infused with moral sensitivity and societies governed by the highest ethical standards To answer this question Hartman takes a sober look at the moral peaks and valleys of his own tradition Judaism and diagnoses it with clarity creativity and erudition He rejects both the sweeping denunciations of those who view religion as an inherent impediment to moral progress and the apologetics of fundamentalists who proclaim religion's moral perfection against all evidence to the contrary Hartman identifies the primary source of religion's moral failure in what he terms its autoimmune disease or the way religions so often undermine their own deepest values While God obligates the good and calls us into its service Hartman argues God simultaneously and inadvertently makes us morally blind The nature of this self defeating condition is that the human religious desire to live in relationship with God often distracts religious believers from their traditions core moral truths The answer Hartman offers is this put God second In order to fulfill religion's true vision for humanity an uncompromising focus on the ethical treatment of others religious believers must hold their traditions accountable to the highest independent moral standards Decency toward one's neighbor must always take precedence over acts of religious devotion and ethical piety must trump ritual piety For as long as devotion to God comes first responsibility to

other people will trail far far behind In this book Judaism serves as a template for how the challenge might be addressed by those of other faiths whose sacred scriptures similarly evoke both the sublime heights of human aspiration and the depths of narcissistic moral blindness In Putting God Second Rabbi Hartman offers a lucid analysis of religion s flaws as well as a compelling resource and vision for its repair
