

# Short Stories and *Novellas*

From a vengeful woman, to an aging actress seeking one last great performance, to a little boy trying to get even with his sister, to a giant finding love with a human woman, to a dying young girl looking for her first romance, this collection of short stories and novellas runs the gamut from fantasy to reality to science fiction. These are stories told in the tradition of storytelling as one young girl finds out in her adventure into writing stories. They are the stories told around a campfire, sometimes surprising, sometimes not. Some are serious, some humorous. Some recount love found and some love lost. In the end, they all have one goal, to entertain.
