**ELEGANT EXTRACTS: Or Useful & Entertaining PASSAGES in Verse** , Experimentalism as Reciprocal Communication in Contemporary American Poetry Elina Siltanen,2016-10-06 The poems of John Ashbery Lyn Hejinian and Ron Silliman may seem to offer endless small details of expression observation thought and narrative which fail to hang together even from one line to the next But as Elina Siltanen shows here this extraordinary flow of uncoordinated detail can stimulate readers to join the poets in a delightful exploration of ordinary language When readers take a poem in this spirit they actually begin to read as members of a community the community not only of themselves and other readers but also including the poet and other poets plus all the speakers of the language in which the poem is written For all these different parties that language is indeed a shared resource and the way for readers to get started is simply by recalling or imagining some of the numerous kinds of context in which the given poem s words phrases sentences could or could not be successfully used The rewards for such proactive readers are on the one hand a heightened sense of the subtle interweavings of language and life and on the other hand a freshly empowered self confidence The point being that within the community of contemporary experimental poetry poets have no more authority than readers Rejecting older cultural hierarchies they present themselves as teasing out the idiomatic serendipities of their own poems together with their readers **Akiane: Her Life, Her Art, Her Poetry** Akiane Kramarik,2017-09-12 Experience the wonder of child prodigy Akiane Kramarik s divinely inspired artwork firsthand Akiane s nonreligious parents were bewildered when their four year old daughter started sharing her dreams of angels heaven and Jesus Her spiritual insight quickly expressed itself through impressive sketches drawings with oil crayons paintings and eventually poetry and her artwork began a conversation that brought her whole family to Christianity and to the attention of national media Akiane Her Life Her Art Her Poetry shares the young artist s story in rich detail including her mother s firsthand account of Akiane s emerging faith and artistic talent a collection of full color paintings created by Akiane from ages 4 to 10 along with the amazing stories that surround each piece of art and selected poems of profound beauty and insight authored by Akiane in her childhood This book will encourage any who believe in the spiritual nature of art and reinvigorate the faith of those who call Jesus their savior **Poemcrazy** Susan G.
